# Love Notes

"Kallie did our wedding photos and they turned out EXACTLY as i pictured and even BETTER. She was very helpful throughout the entire process. Went above and beyond the call of duty. Took any idea and ran with it to make sure we got what we were asking for. If you need a photographer for any occasion, she is your gal!

## Chris + Carter

"I could not be more happy with my choice to book Kallie for our wedding photography!! She was so kind, fun, respectful, and just so helpful throughout the whole day!! She's an incredible person to work with and her work is just as incredible!! She created true art!! We are absolutely obsessed with our photos!!"

## Lillian + Josh

"We are so happy with everything she's done for us thus far and cannot wait to continue working with her. We love that she values tradition but also adds her own creative flair to every shot. She was so accommodating to us on our wedding day and helped capture it so perfectly despite the rainy weather. Her attention to detail and talent is SO evident. We would recommend Kallie to anyone for your photography needs!!"
