

COVID-19 UPDATE

Dear customers and friends,

For the health, safety and well-being of our customers, employees and communities, we have temporarily closed our doors until further notice.

As a short term solution we have implemented new measures to continue to serve you during these times. We will be operating with weekly pop-up hours and a weekly changing baked good menu where we will be taking pre-orders through our NEW mobile shop which you can visit at tinroofcafe.mobi2go.com

When ordering you can select both a DATE and TIME for pick up. Please note the first hour we open is usually the most in demand for pick up. To avoid a long wait we suggest picking up your order after 1pm! We have installed a new takeout window where you can safely collect your baked goods and drinks. We ask that you call us upon on arrival or come up to the window to tell us you are here so we can begin to prepare your drink order.

We ask for your patience during this time as we are operating with a very small team and therefore can only accommodate so many orders.

For more information and updates visit our social media channels.
