# hi there!

I'M AMELIA MARIE

## A PHOTOGRAPHER FOR DREAMERS, ADVENTURERS, AND LOVERS OF LOVE

I'm so excited to make some photography magic for your elopement celebration! Here at Amelia Marie Photography, we are all about love, equality, passion, adventure, and capturing all of life's epic moments.

It is so important that you find a photographer whose work you LOVE — but it's just as important that you find someone who will bring out the best of you in your photos.

If you're the adventurers and dreamers who crave the magical light of golden hour, dancing in the rain, or throwing on some boots under your wedding dress on a snowy winter day, we might be the perfect fit!

Check out my elopement packages and pricing on the following pages and, when you're ready, feel free to reach out so we can start planning for your dream wedding day!

A woman with long brown hair is smiling and holding a wooden paddle in a yellow kayak on a calm lake. In the background, there are dark green trees and a range of mountains under a soft, hazy sky. The entire scene is framed by a white border.

## *so, what's an adventure elopement anyways?*

---

**IT'S ABSOLUTELY WHATEVER YOU WANT IT TO BE.**

The first thing I tell my couples about adventure elopements is:

There are no rules.

Call it an elopement, call it a micro-wedding. Keep it just between the two of you, or invite a few special family members to celebrate with you. Spend the day hiking your favorite trail to say vows at the peak of sunset. Celebrate by the lake and take the kayaks out on the water with your favorite beverages. Gather in the backyard with your fur-babies and celebrate with allll the cake.

I'm here to help plan and document it all – and I'm so excited to go on adventure with the two of you!
