

*Cake Flavors*

*At Sugar Euphoria, we are passionate about our cake and ingredients. We aim to push the boundaries of flavor by offering interesting combinations that will wow your guests. All of our cakes are made fresh to order using European butter, organic eggs, fine Belgian Chocolate, Madagascan Vanilla and seasonal fruit where possible. Our cake menus is carefully curated from our most popular flavors, but we are happy to create bespoke flavors just for you.*

*Our cakes contain three layers of filling between four perfect layers of cake, artfully assembled to look immaculate when cut. Our cakes are coated in a layer of silky buttercream or thin fondant over decadent white or dark chocolate ganache. We also offer beautiful semi-iced buttercream cakes.*

*Allergen Information: All of our cakes contain wheat, eggs and dairy. Some contain nuts.*
