Client Experience Guide

NOTORIOUS BOUDOIR STUDIO

Boudoir influenced by fine art.

MORE THAN JUST PRETTY PICTURES.

RECLAIM YOUR NARRATIVE.
BRING YOUR POWER BACK.

Since opening our studio in 2019, we've empowered hundreds of people to step into their light, especially those from marginalized communities that society so often tries to silence. We believe, with every fiber of our being, that all bodies deserve to be seen, celebrated, and represented. Because when we lift each other up, we don't just reclaim our power, we give it back to the community.

Boudoir is *so much more* than taking sexy photos. It's a radical act of self-acceptance and personal power. It's a deeply transformative experience that gives you space to reclaim control, rewrite your narrative, and remember your worth. When you start believing in yourself, something shifts.

And that energy? It's electric. *It changes everything.*

We spend our lives consumed by how we look, how we'll be judged, and how to shrink ourselves to fit into a box we were never meant to fit. This constant pressure rewires our minds to view our bodies as problems to be fixed, because society has conditioned us to believe that beauty only exists within the narrow lens of the male gaze.

But we're done with that.

It's time to reclaim your narrative. To silence the noise. To wake up every day and see yourself as the powerful, beautiful individual you are, right now, exactly as you are.

We are a safe, affirming space. One that invites you to step into the version of yourself that's been quietly waiting beneath the surface. The version that's been silenced, shamed, or tucked away.

Here, you're not just allowed to transform, *you're empowered to become.*

Our Brand Mission

WE ARE
ETHEREAL
INCLUSIVE
IMAGINATIVE
TRANSFORMATIVE

We want this booking process to be easy breezy for you. This Guide is for your use through the entire booking process. And after you read over the guide and you still have questions, bring them up during your consultation, we are happy to accommodate.

mission

Our mission is to empower individuals through self-expression, celebrating inclusivity and LGBTQIA+ identities. Dismantling shame by boldly allowing our bodies to be seen in their most authentic, unapologetic form.

values

We value equality for all people, regardless of their views on religion, culture, sexual identity, or skin color. Everyone deserves to be heard and seen as they are, authentically.

promise

We promise to listen to your needs and desires throughout your entire journey. You are always in control, and you will always be our priority. Your perspective not only shapes your experience but also helps us grow. It is deeply valued and respected.

TESTIMONIAL

"Katie is not only an extremely talented, mindful and dedicated artist, but an all-around wonderful person as well. She's patient, thorough, gracious and truly cares about you (and your authenticity!) I had never had boudoir photos taken prior to working with Katie, and she made me feel incredibly comfortable and guided me through each pose. I left my session feeling radiant — a feeling I attribute to Katie's infectious encouragement and care. I highly recommend booking with her!"-Erin

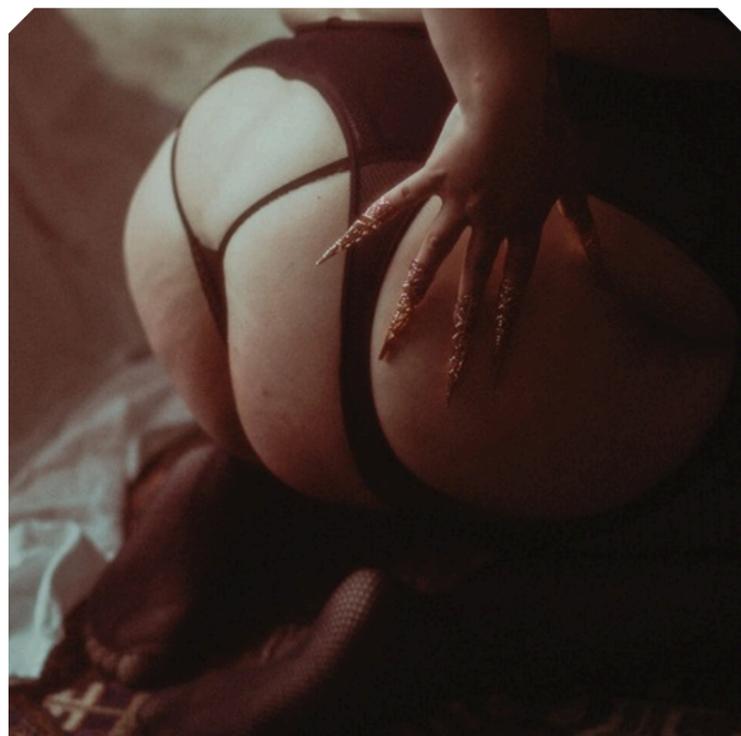

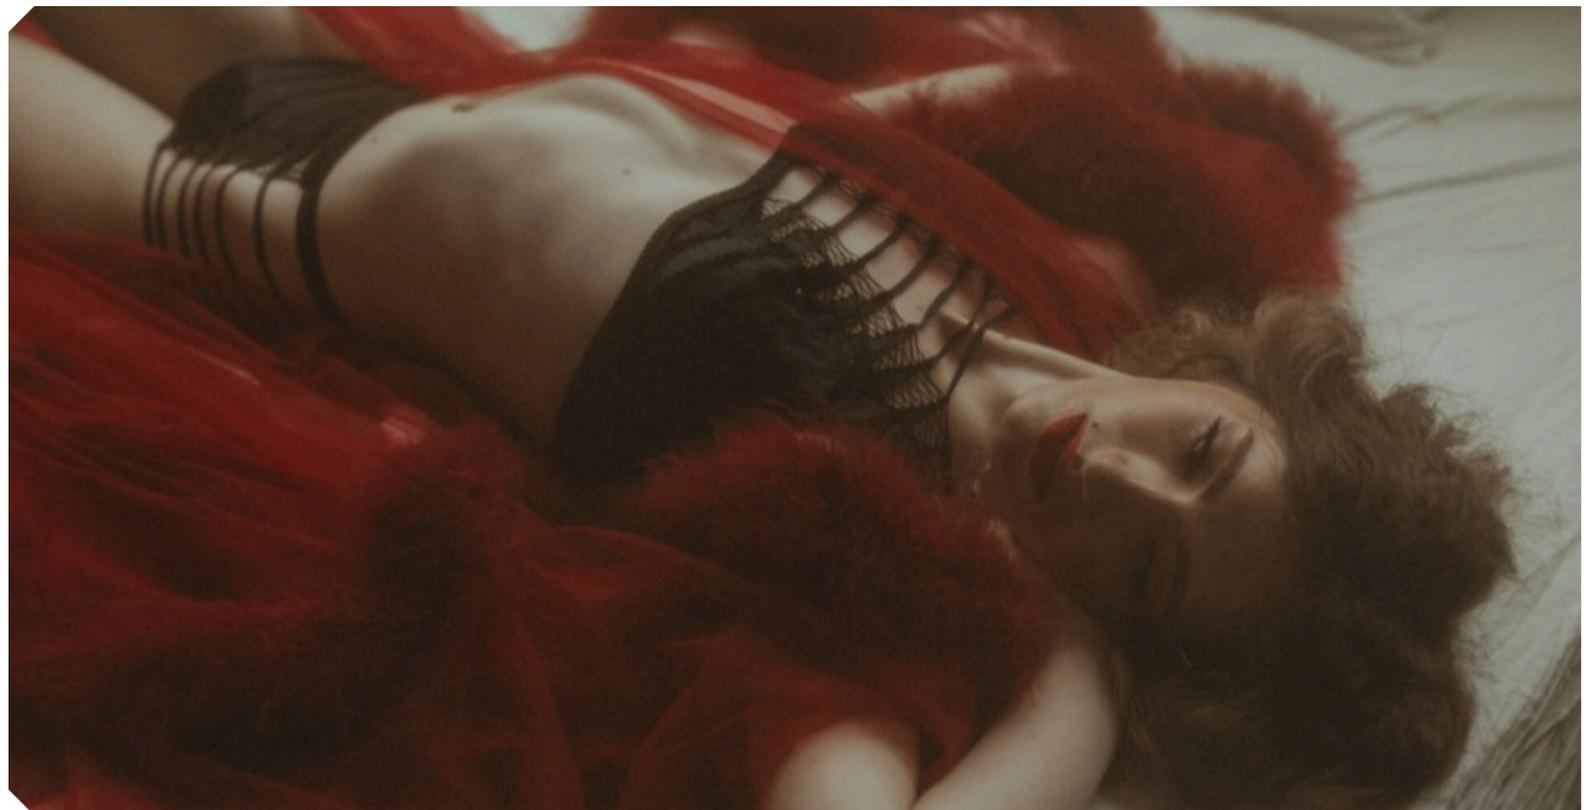

Our studio

THE FUR FACTORY | SUITE 214 |

The studio is in an up and coming area in northern Riverwest. The converted fur factory building is full of artist and small business owners from Milwaukee. Our space is full of natural light and industrial charm; the 13 foot ceilings makes the space feel massive!

Aside from boudoir the space can be converted to a traditional photo studio with backdrops and lights for a variety of photographic style. We have made this space home since September 2021, previously shooting in our home.

Client REVIEW

“One of the best purchases I’ve ever made! I treated myself to a photo shoot for my 50th birthday. I was kind of ambivalent because I’ve never done anything like this before. Katie was so kind and welcoming and creative and made me feel extremely comfortable. I had so much fun and my pictures are absolutely stunning!! Katie is beyond talented & I would highly recommend treating yourself to this experience. I can’t wait to do it again!”

Meet Katie

YOUR ARTIST

Hi! I'm Katie.

| Virgo sun | Gemini moon

| Taurus rising |

I've devoted the last six years to building Notorious Boudoir, and it's been a life-changing, empowering journey. Hundreds of women have trusted me with their stories, through their struggles, triumphs, and celebrations, and I'm endlessly humbled by that trust.

The community that's grown within my studio is something truly special. The space I've created is sacred, and it will always remain a safe, welcoming environment for everyone.

As someone who grew up as an underdog, I go out of my way to be affirming, inclusive, and accommodating.

I'm a natural listener with a deep passion for helping people feel truly seen and heard. I know firsthand how painful it is to be brushed off, dismissed, or rejected, and that understanding shapes everything I do.

Boudoir allows me to show up not only as a creative, but also as an unofficial therapist of sorts. I bring my lived experiences, empathy, and artistry to every session, with the goal of lifting you up and celebrating exactly who you are.

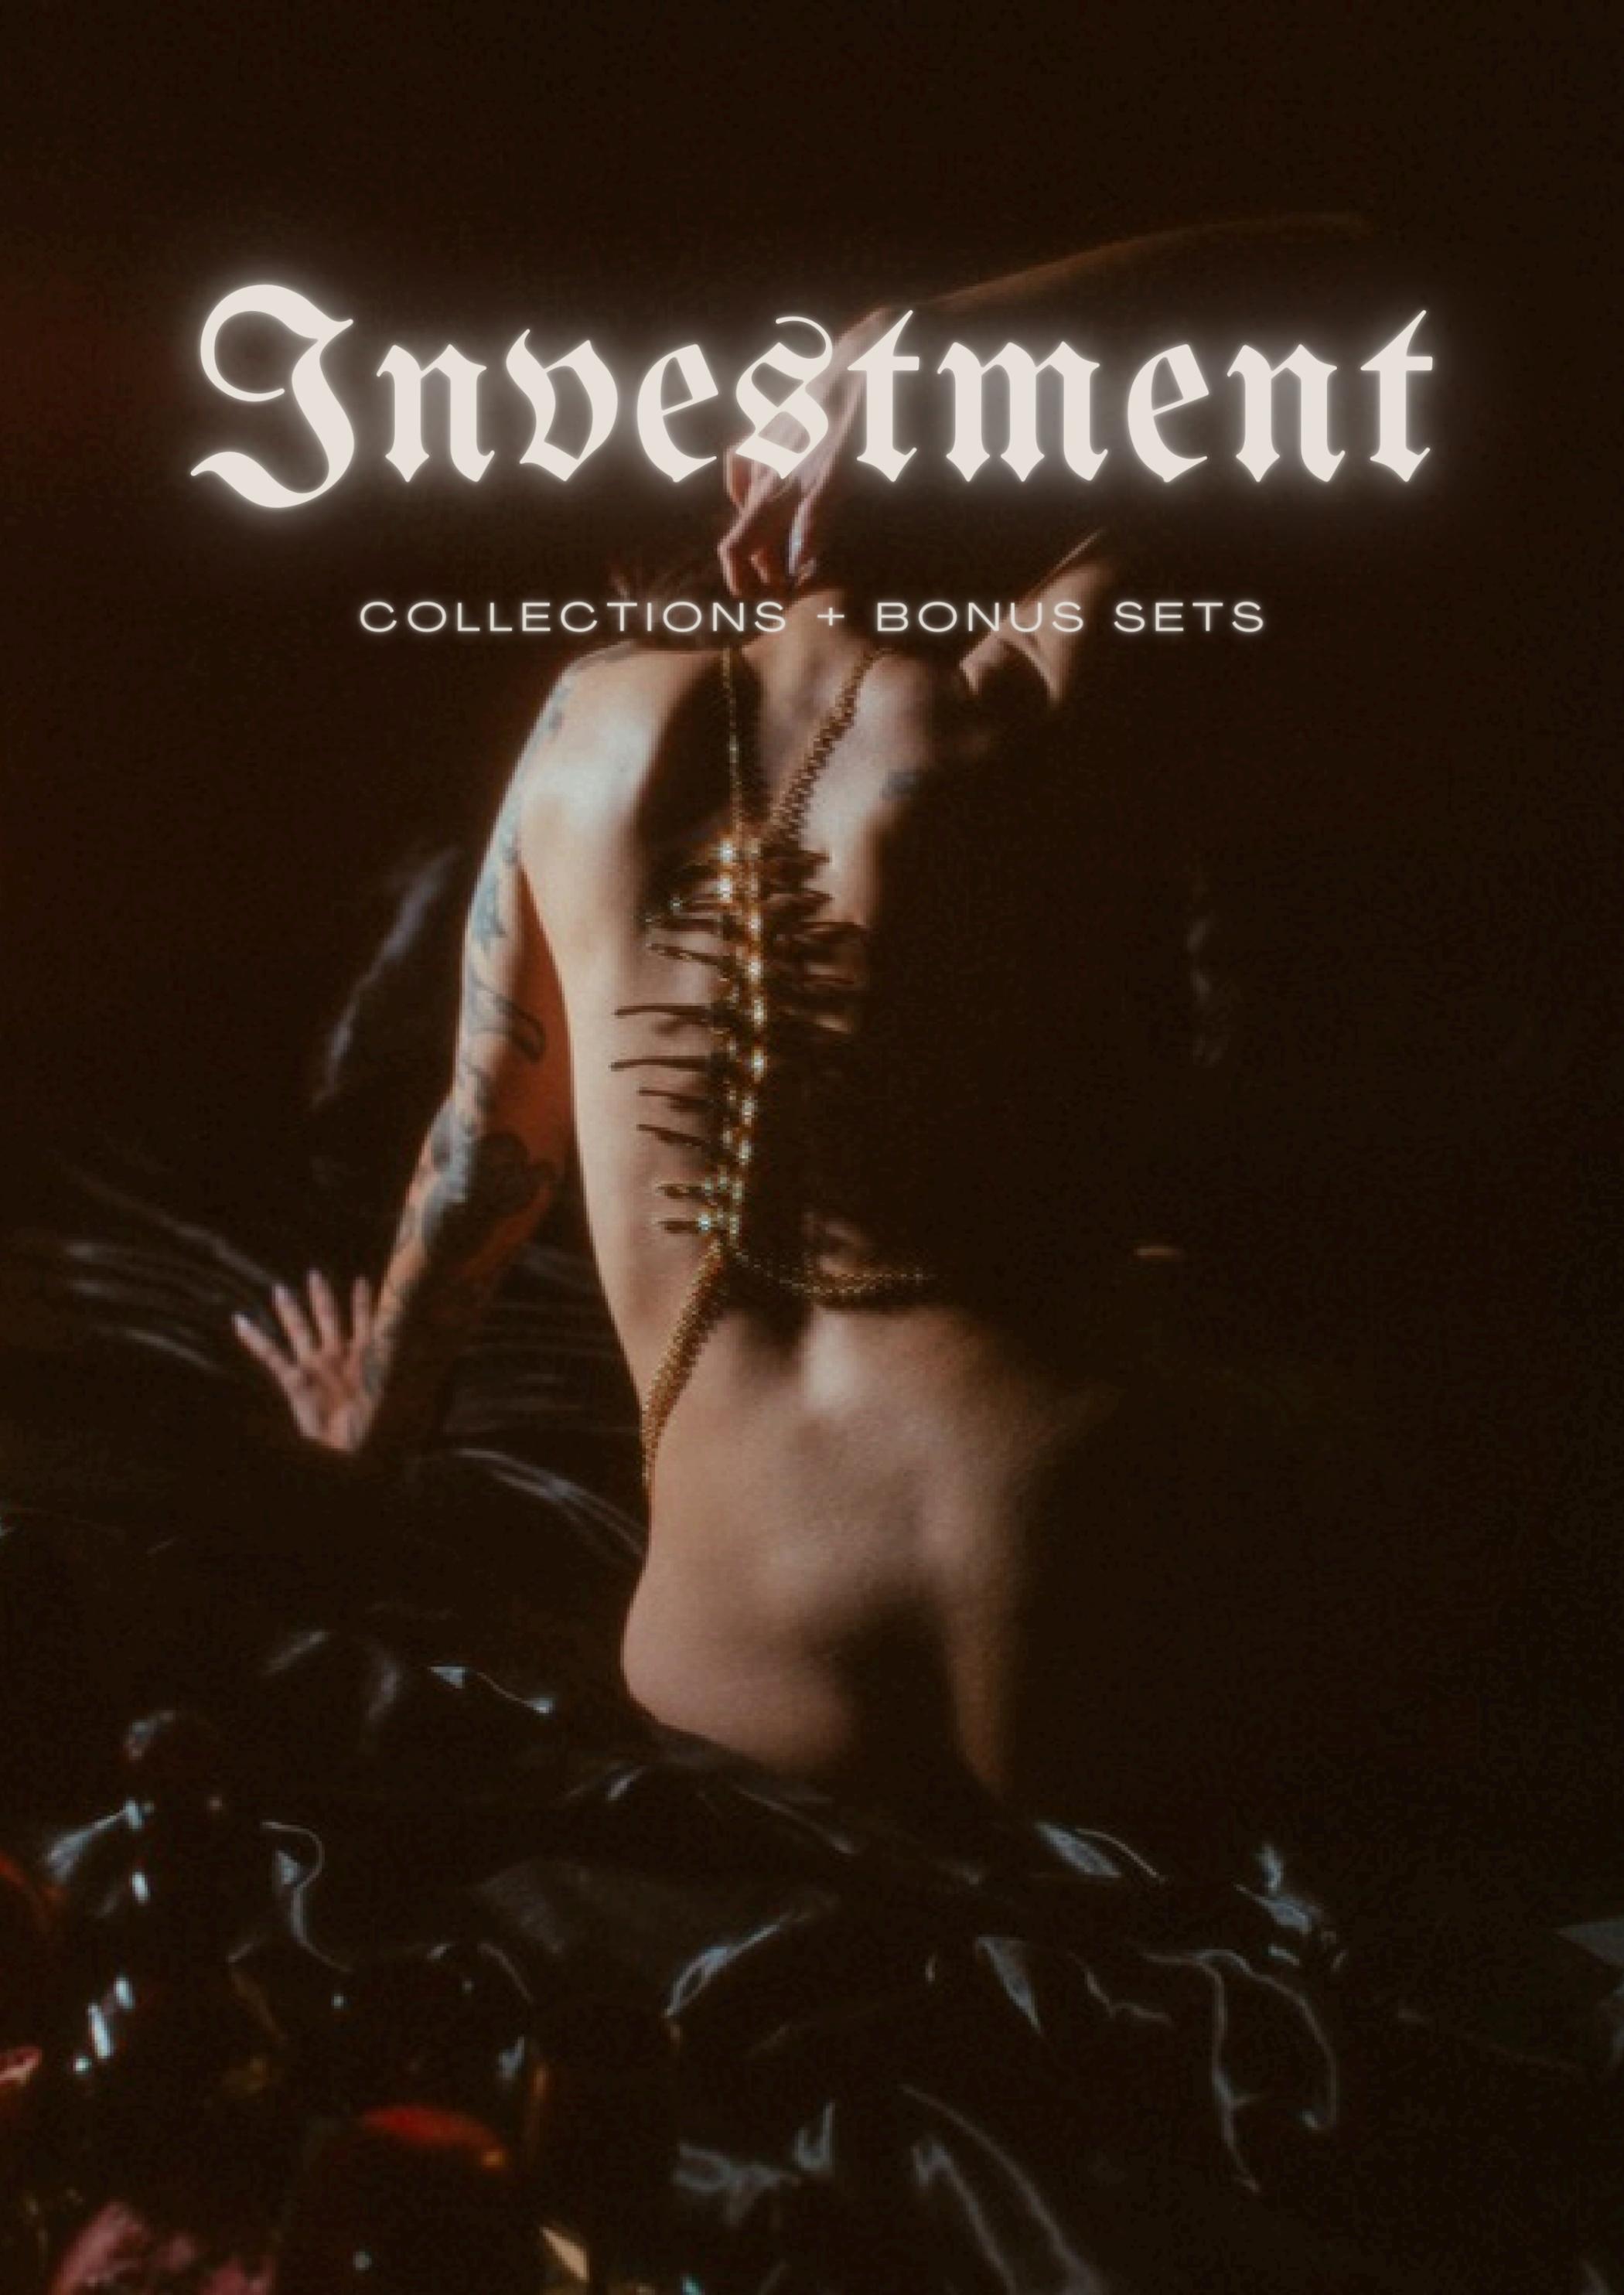

You deserve to own your story. There's incredible power in reclaiming your narrative, and I'm here to support you every step of the way.

Think of me as your professional hype-woman, always ready to bring a little extra joy to your day. <3

HOW FAR CAN I BOOK OUT?

YOU CAN BOOK YOUR SESSION UP TO 12 MONTHS OUT. THIS ALLOWS YOU TIME TO CHIP AWAY ON YOUR COLLECTION BALANCE OR ALLOW FOR TRAVEL PLANNING.

DO YOU WORK WITH MALES?

YES! BUT DUE TO PAST UNFORTUNATE EXPERIENCES WITH CIS HETERO MALES, WE WORK CLOSELY WITH OUR INQUIRIES TO ASSURE OUR INTENTIONS ALIGN.

I WANT TO BUY SOMETHING SPECIAL WHERE DO I SHOP?

REACH OUT TO ME FOR MY FULL LIST OF BELOVED LINGERIE BRANDS. I HAVE A LIST OF MY VERY FAVORITE BRANDS LISTED ON MY CLIENT CLOSET PAGE FOR A QUICK REFERENCE. CHECK OUT LOCAL SHOPS SUCH AS MICHAL STUDIO IN MILWAUKEE - COQUETTE IN LAKE GENEVA - OR BISOU IN KENOSHA.

DO I HAVE TO SHARE MY IMAGES?

ABSOLUTELY NOT. ONLY IF YOU ARE COMFORTABLE DOING SO. BUT IF YOU DO, YOUR IMAGES PROMOTE INDIVIDUAL REPRESENTATION. IT HELPS EMPOWER OTHERS THROUGH AFFIRMATION.

SHOULD I LOOSE WEIGHT FOR MY SESSION?

CERTAINLY NOT—BUT THAT'S ENTIRELY UP TO YOU. I DO NOT RECOMMEND DOING ANYTHING OUTSIDE OF YOUR NORMAL WEEKLY ROUTINE TO PREP FOR YOUR SESSION. AFTER ALL, WE'RE HERE TO CELEBRATE YOU EXACTLY AS YOU ARE, NATURALLY.

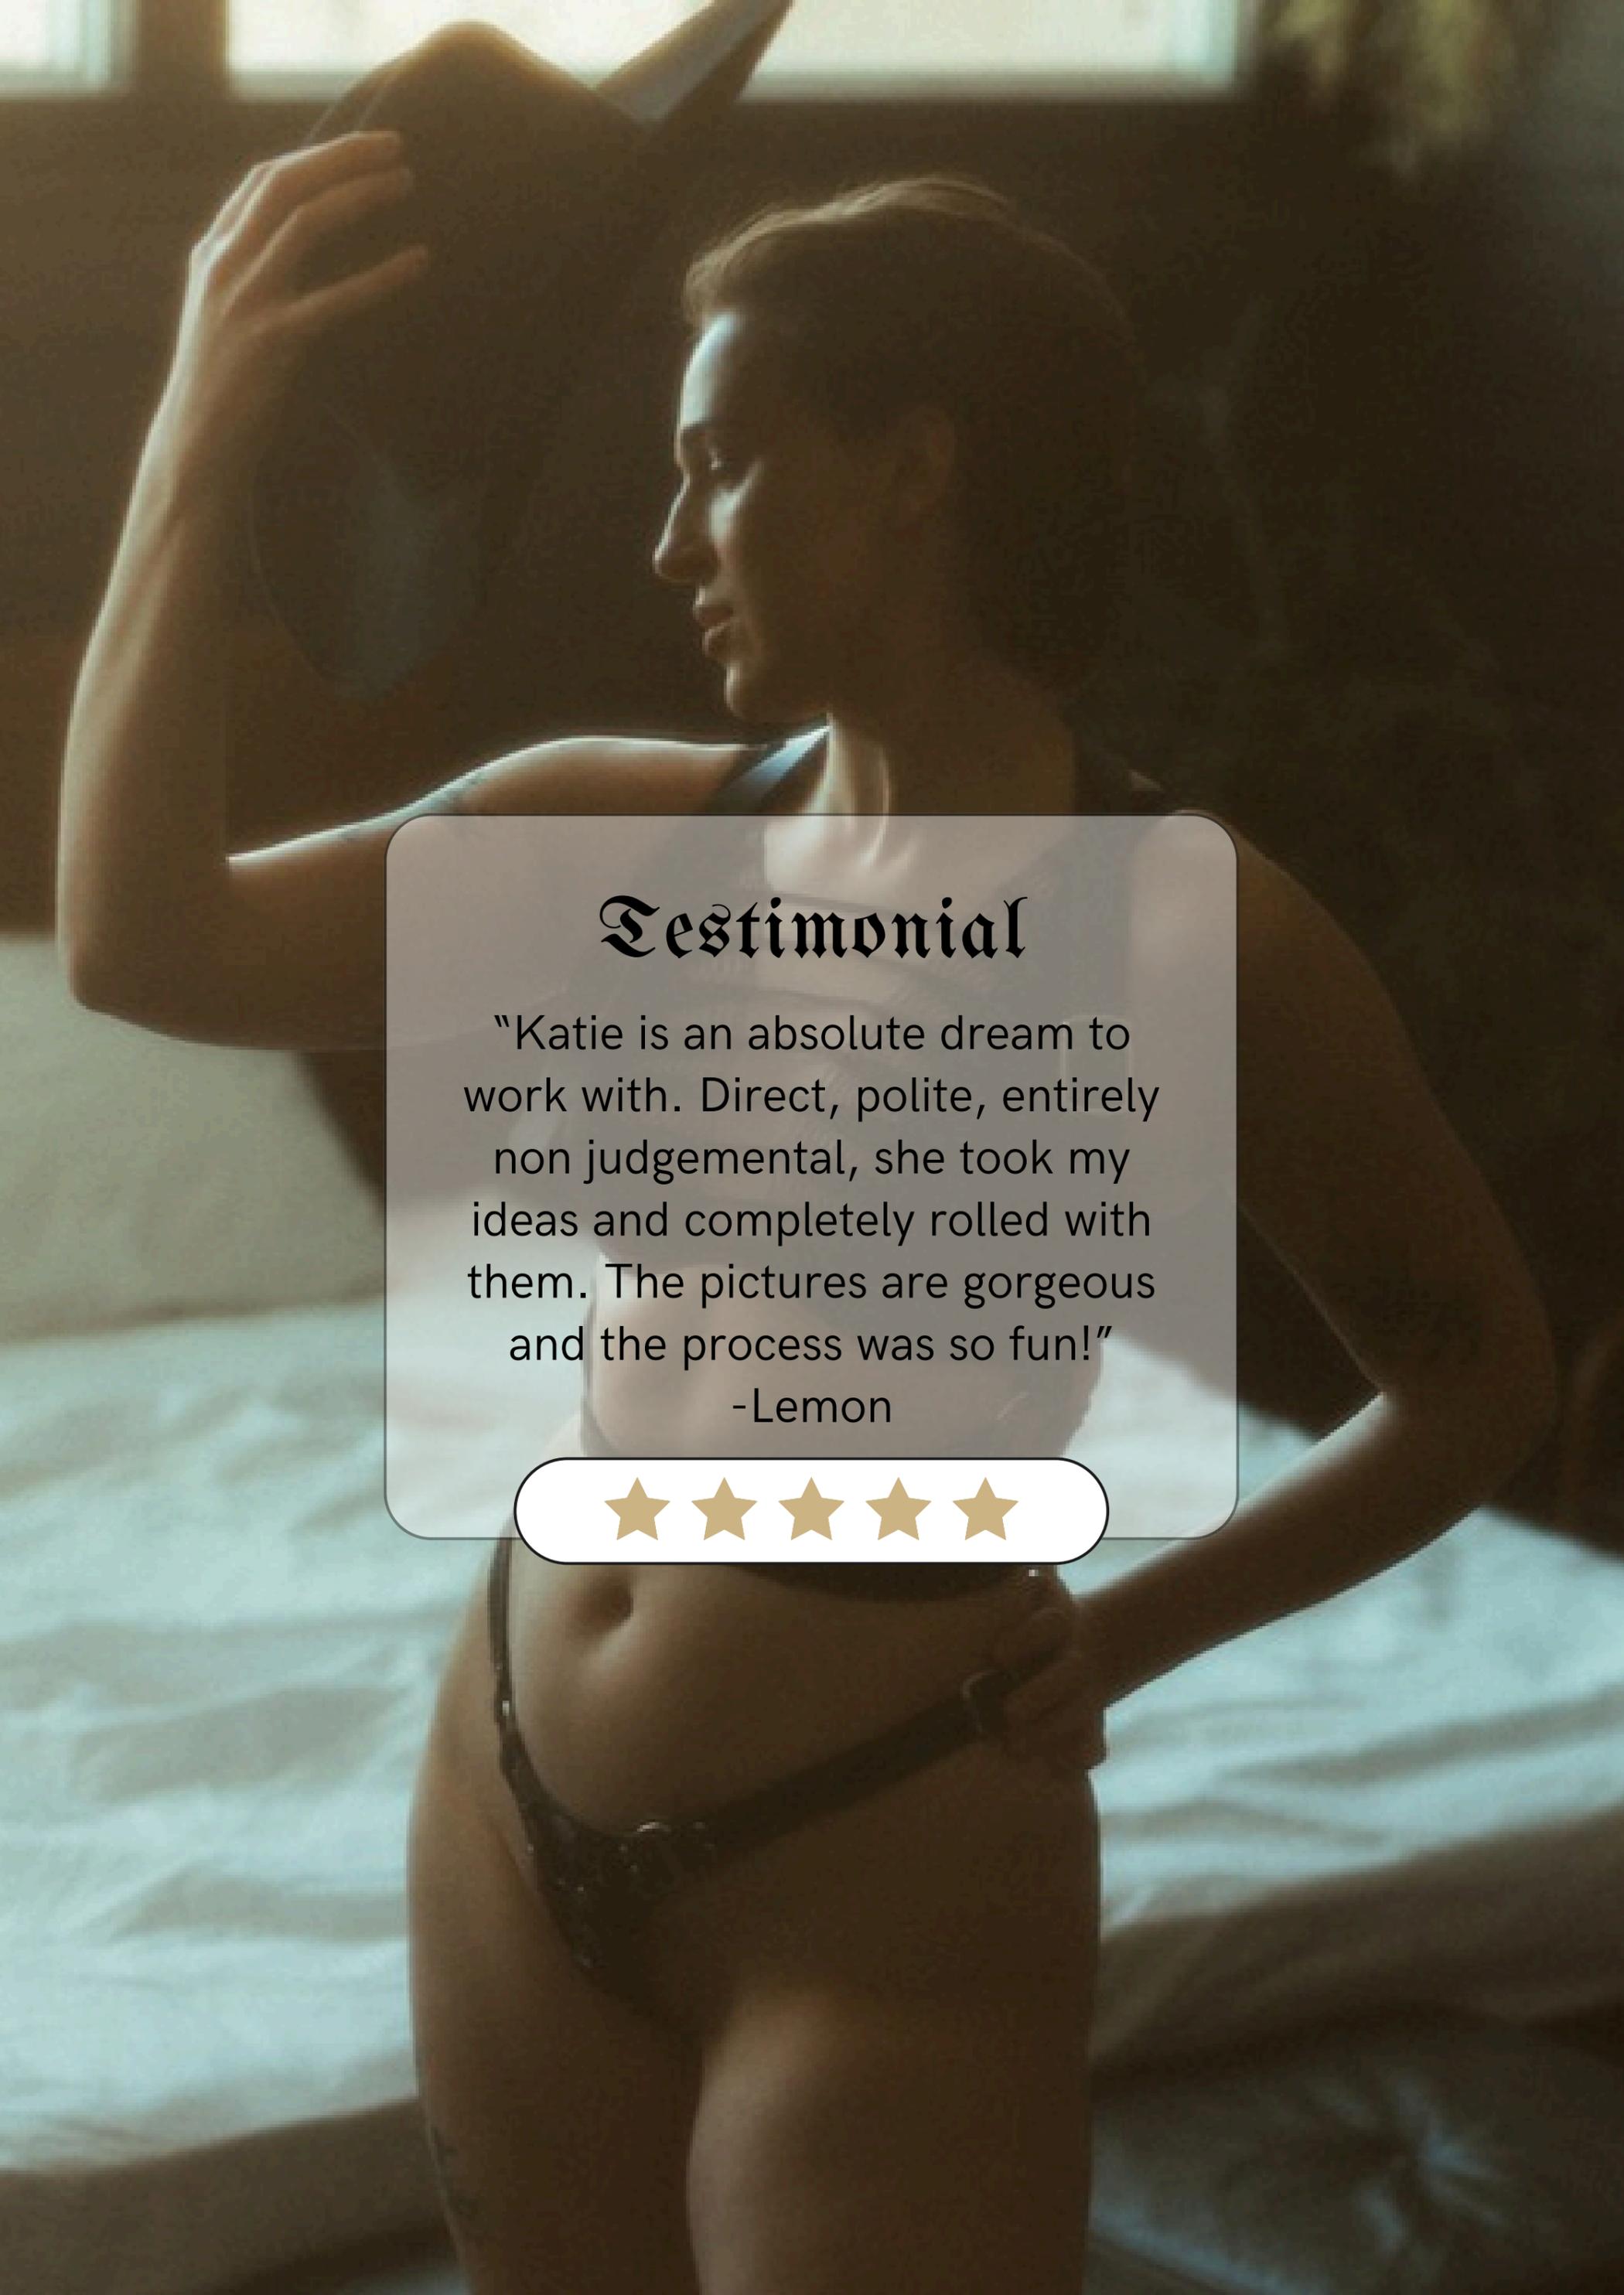

WHY IS BOUDOIR SO EXPENSIVE?

BOUDOIR IS EXPENSIVE FOR A FEW IMPORTANT REASONS. WHEN YOU INVEST IN A PROFESSIONAL, YOU'RE INVESTING IN THEIR EXPERTISE, EXPERIENCE, AND ABILITY TO GUIDE YOU THROUGH A DEEPLY PERSONAL PROCESS WITH CARE AND INTENTION. BOUDOIR IS A UNIQUELY VULNERABLE NICHE OF PHOTOGRAPHY, IF YOU TRY TO CUT CORNERS AND HAVE A NEGATIVE EXPERIENCE, IT CAN LEAVE LASTING EMOTIONAL DAMAGE OR EVEN TRAUMA.

SOME PEOPLE HAPPILY SPEND TENS OF THOUSANDS AT HERMÈS JUST TO GAIN ACCESS TO A BIRKIN BAG, SOME SPEND THEIR SAVINGS ON A DREAM VACATION. OTHERS CHOOSE TO INVEST IN *THEMSELVES*. BOUDOIR IS FOR THOSE WHO WANT TO SEE THEMSELVES *FULLY*, RECLAIM THEIR POWER, AND EVEN REWRITE THEIR NARRATIVE. IT'S MORE THAN JUST PHOTOS, IT'S A SOUL-DEEP JOURNEY. AND YES, IT SHOULD BE EXPENSIVE. *YOU'RE* WORTH THAT KIND OF INVESTMENT

LASTLY, IT IS *EXPENSIVE* TO RUN A BOUDOIR BRAND. WE INVEST SO MUCH OF OUR MONEY TO ELEVATE OUR *CLIENT EXPERIENCE*. SOMETHING MOST OTHER PHOTOGRAPHERS DO NOT DO. AND IN ORDER TO OFFER THIS EXPERIENCE, WE NEED TO CHARGE ACCORDINGLY.

WE WORK HARD TO ACCOMMODATE ALL BUDGETS, PLEASE REACH OUT TO ME PERSONALLY TO SEE HOW I CAN ACCOMMODATE YOUR BUDGET.

Testimonial
