Spring

COLORS

Soft pastel colors- lavender, blush, peach, soft yellow, dusty blue- it's a mixture of our favorite -in season- pastel blooms.

With the occasional pop of color it's just like a garden.

INGREDIENTS

Spring usually features blooming branches, ranunculus or roses, peonies, hydrangeas, gentle vines, and sweet textures for interest.

AESTHETIC

Just like an impressionistic painting, the "Spring" palette will have lots of movement- like a fresh picked bouquet from the garden; adding a soft and effortless feel to your wedding.

Summer

COLORS

Bright and fun, the summer weddings often incorporate vibrant jewel tones for rich and playful designs. From purples and lavenders, to bright oranges and yellows, to accents of blue and pink, but ultimately it's up to you!

INGREDIENTS

Summer is full of colorful and bright flowers. We love to incorporate anything from soft yarrow to vibrant sunflowers and dahlias, to textural succulents and thistle.

AESTHETIC

Our summer weddings have lots of playful, whimsical accents. The arrangements have lots of personality, just like you.

Autumn

COLORS

I love how fall brings with it many muted, darker colors. These palettes often feature burgundy, gold, neutral blush, pops of orange and peach and deep greens,

INGREDIENTS

Autumn is full of textural elements, large romantic blooms, and dried textures. Depending on the season the arrangements will feature dahlias, peonies, protea, or roses, dried elements and grasses, twigs, and lots of blooms to match! It's all about adding interesting elements.

AESTHETIC

Autumn is typically full and lush, with a touch of boho flair.

Winter

COLORS

Winter often inspires classic color schemes incorporating the seasons most beautiful white, ivory, cream, and pale blush flowers and deep green foliage for a truly timeless design.

INGREDIENTS

The classic wedding usually includes white hydrangea, roses, and full, romantic blooms for lush wedding flowers. We always select the prettiest and highest quality flowers at market and from the farm, and love to incorporate little surprises- unique for you!

AESTHETIC

The arrangements are lush and flowing- not tight and round.

Imagine an English garden in all white and green, with the added depth of the creams and blush. It's soft, romantic, and feels effortless.
