Frequently Asked Questions

WHAT SHOULD WE WEAR FOR OUR SANTA EXPERIENCE?

For this year's Santa Experience, we have dress themed into a kitchen scene for baking fun where little ones get a little messy! Santa workshop for toy-making, and an elegant family room for formal presents with cookies and milk. Cozy pajamas or casual holiday outfits work well for the first two sets, while dressing holiday attire in white, cream, red, green, black, or gold is perfect for the final scene. You're welcome to stick with one outfit or bring a second, but keep in mind that outfit changes will take time away from your 45-minute session. **We also encourage parents to dress for a few presents to complete the magical experience!*

CAN WE HAVE MORE THAN ONE FAMILY IN THE SESSION?

The Santa Experience is designed to flow in a certain order, capturing memories of your family along the way. If you choose to modify the flow by incorporating multiple families or grand-parents, the scenes may be reduced or the variety of each scene may be impacted based on available time. In the event you do not want a reduction of variety or set-ups, we suggest scheduling two sessions back-to-back.

DO YOU ALLOW PETS?

We consider pets a part of the family, so feel free to bring them with you. We do need to know ahead of time because Santa needs to change his glasses. All pets are required to be on a leash or in a carrier until their session time. **We encourage bringing a favorite toy and some treats as well.

WHAT CAN I DO IF MY CHILD IS AFRAID OF SANTA?

Our private 45-minute session allows plenty of time for hesitant children to warm up to Santa. Santa and the photographer use gentle techniques to help, and limiting spectators can create a calmer environment. If you're concerned, let us know in your pre-session questionnaire so we can adjust the experience—like a quiet greeting instead of a big "ho-ho-ho!"—to make it as comfortable and magical as possible.

WHAT DOES MY \$800 SESSION FEE GO TOWARD?

The session fee covers Santa and Mrs. Claus! booking fee, a 45-minute magical session, a personalized album and a toy made with Santa. Prints/products are sold separately.

Frequently Asked Questions

CAN WE TAKE OUR OWN PICTURES OR VIDEOS?

Sorry, we do not allow any photography during your session. The photographer will alert you when it is a good time to capture a few moments of video. Please instruct any guests with you to refrain from taking photos or videos during the session.

WHEN DO WE SEE OUR IMAGES?

Approximately one month before your session, we will send out a booking email for you to schedule your ordering appointment, to be held either in person or via zoom. This is where you will be guided through the selection process. If you are an out of town guest, we recommend selecting the option for a zoom ordering appointment instead of in person.

CAN WE PLACE OUR ORDER ONLINE?

While we do not offer galleries to select products and products on-line, we do offer a zoom ordering appointment option. To reduce feeling overwhelmed, we will walk you through the process of viewing, selecting and ordering your products.

HOW LONG DOES IT TAKE TO GET MY ORDER?

Once you select, fully pay, and approve the edits on your presents and album layout, it typically takes about 2-3 weeks to arrive. Custom items can take more time. **We do our best to make Christmas cards and small prints, but cannot guarantee delivery if ordered after Thanksgiving. **We suggest booking early in the season to receive your items before Christmas. In order to place your order with our print lab in a timely fashion, we are requesting that orders requiring approval for edits and album design be completed within 2 business days for fast turnaround times on your items.**

DO YOU PROVIDE DIGITAL FILES?

We provide unwatermarked, unedit media files for presents that you purchase and are printable up to 8 x 10. **Watermarked social media files may be posted on Facebook, Instagram, or other social media sites.
