Silent, Strong Dad

BY KAREN BOYER 2006

He never looks for praises.
He's never one to boast.
He just goes on quietly working
For those he loves the most.
His dreams are seldom spoken.
His wants are very few,
And most of the time his worries
Will go unspoken, too.
He's there - a firm foundation
Through all our storms of life,
A sturdy hand to hold onto
In times of stress and strife.
A true friend we can turn to
When times are good or bad.
One of our greatest blessings,
The man that we call Dad.

Thought for June

Of those with anniversaries in June, Pat & John Brennan are celebrating 54 years June 29th, and Megan & Michael (Joe) Buenacruz will reach 65 on June 2nd.

A painting of Megan & Joe on their wedding day 65 years ago!

Happy Anniversary

Since June is considered to be the most popular month for weddings (Jan & I were married June 29th 48 years ago), I thought it might be an appropriate time to look at marriage trends.

According to a recent Canadian census, for the first time in our 155 year history, there are more unmarried adults than married. Shockingly, the average length of marriages in Canada is 14 years, and more shocking, that's slightly better than most other developed nations around the world.

Relationships in general have become more tenuous. The latest trend in dating and marriage relationships is "cushioning," where you are encouraged to hang on to several "cushions"- other people you'll chat and flirt with to cushion the blow should you and your current partner break up. It seems that nowadays, as we approach marriage, we are planning to fail!

Though not a joking matter, here's one that fits:

"If I were to die first, would you remarry?" the wife asks.
 "Well," says the husband, "I'm in good health, so why not?"
 "Would she live in my house?"
 "It's all paid up, so yes."
 "Would she drive my car?"
 "It's new, so yes."
 "Would she use my golf clubs?"
 "No. She's left-handed."

The residents at Buchanan are trending in a much more positive way. Of those with anniversaries in June, Pat & John Brennan are celebrating 54 years on June 29th, and Megan & Michael (Joe) Buenacruz will reach 65 on June 2nd. Let's hope that marriages like these - built to last - become the trend setters going forward!

These couples may have learned about marriage from the ultimate and unchanging Marriage Manual:

"Haven't you read the Scriptures?" Jesus replied. "They record that from the beginning 'God made them male and female.'" And He said, "This explains why a man leaves his father and mother and is joined to his wife, and the two are united into one. Since they are no longer two but one, let no one split apart what God has joined together" (Matthew 19:4-6 NLT).

As we celebrate these and other wedding anniversaries this month, let's remember to apply their vows to our own relationships: *to have and to hold, from this day forward, for better, for worse, for richer, for poorer, in sickness and in health, until death do us part.* Now that's God's kind of love and God's plan for marriage!
