

My plan to serve you well  
and  
keep everyone healthy

ONE FINE DAY PHOTOGRAPHY BY REEN

# COVID-19

## *Safety and Precautions*

The health and safety of our clients  
are a top priority at

One Fine Day Photography by Reen

I would like to reassure you that I am taking all precautions advised by WHO and CDC,  
and will apply them to all my portrait sessions.

Here are the steps I will be taking to keep my sessions clean and safe .

...

## outdoor family & portrait sessions

---

Until further notice all family & portrait sessions will be held outdoors in the fresh air to minimize contact. Sessions will take place during the golden hour which is by far my most favorite time of the day to shoot, offering us beautiful light. Please feel free to contact me if you'd like to know my favorite outdoor locations for sessions.

## shooting from a safe distance

---

I will be shooting all outdoor sessions with a long lens to make sure I keep a safe minimum distance of 6' from my clients as recommended by the CDC.

## disinfecting while outdoors

---

I will arrive at each session with wet wipes and hand-sanitizer and will use those throughout the session. I will also have a mask with me and if you feel more comfortable with me wearing it, I will happily put it on for the duration of our session. Just please let me know.

## no personal contact policy

---

In the spirit of "social distancing" I will avoid any personal contact with my clients during the session which includes: hand-shaking, hugging children and also moving/touching hair or clothes while shooting. I will try my best to direct you from a safe distance.

Please bring your own blanket, or whatever prop you'd like for your session.

## one outdoor session per location per day only

---

Only one family /portrait session will be shot per day, per location. Because we are shooting in the open space sessions are not limited to immediate family only.

# Sick Policy

---

My studio has a strict no-sick policy.

Clients are required to disclose and reschedule the session if they or any member of their immediate family is sick or have had a fever or any other symptoms such as cough, runny nose or vomiting in the last 24 hours. Rest assured I will adhere to this policy regarding my own health as well. To reschedule , please contact me as soon as possible. There is no fee to reschedule.

*Thank You!*
