TRAVEL FEE:

Dependent on travel time + mileage. \$1,000 invoice minimum required. Pickup with provided tools + instructions is available!

frequently asked questions

● HOW LONG WILL MY BALLOONS LAST?

If our balloon arches are displayed in a cool and shady place they can last up to 6 weeks, sometimes longer! Helium- filled latex balloons will last about 8 hours, and helium-filled mylar balloons will last about 3-5 days.

● HOW DOES THE SUN AND SUMMER HEAT AFFECT MY BALLOONS?

Although we do use the highest quality balloons, intense heat and sun can affect quality. To minimize popping or oxidation, we highly recommend keeping your display in a shaded area. We also have a glow spray to bring your oxidized balloons back to life! We cannot guarantee your display will remain picture perfect, but we do install all balloons as close to the event start time as possible.

● CAN YOU TELL ME MORE ABOUT HELIUM?

We are currently experiencing a severe helium shortage, as it is a non-renewable source. Any decrease in pricing, you will be the first to know! We only use helium upon request, not for arches or other installs.

● HOW DO I SECURE MY EVENT DATE WITH YOU?

We require a 50% deposit + signed contract to secure your event date. You will receive an invoice to your email with all of the important information, along with photos or color swatches. The remainder of the invoice is due 2 weeks prior to the event.

● WHAT IS CONSIDERED A BASIC COLOR?

This is any plain color in the rainbow, plus black white and pink. Balloons with a special sheen such as satin or metallic are not considered basic, even in the previously mentioned colors. Muted colors or specific color tones such as burnt orange, burgundy, dusty rose or eucalyptus are also upgrades.

● HOW MUCH ARE MYLAR FOIL BALLOONS?

Mylar balloons vary in price depending on size, style, or if a licensed character is shown. Interested in adding mylars? We will send you photos of options that fit your theme or color scheme the best.

● WHAT IS A CUSTOM DECAL?

Custom decals can be applied to both latex or mylar foil balloons or most backdrop walls, and are perfect for personalization. Decals are made of permanent or removable vinyl and can be created in a variety of colors. We are able to create college logos, names, phrases and so much more!

● WHAT IS THE INSTALLATION FEE?

Arches must be secured to a fixed surface, but the options are endless. This fee applies to any installation process that requires a little extra tools or attention. This percentage includes (but not limited to) installations on brick, siding or fencing, bounce houses, marquee letters, or pool balloons.
