PRIVATE COURSES

Dining Etiquette

Our most popular course! Whether you want to impress clients at an important business dinner or improve your dining experience with your social circle, this course will help you learn the necessary skills to feel comfortable in any dining situation. You'll leave this session knowing basic table manners, the best ways to eat tricky foods and how to handle any awkward dining mishaps.

Business Etiquette

Setting the right tone at work can be the difference between a promotion or stagnation. This business etiquette course will teach you the ins and outs of networking, building your brand at work, dressing for success and effective communication with internal and external stakeholders.

First Impressions & Social Etiquette

You only have one chance to set the right first impression. Get the confidence to own any room you walk into with this fundamental course on social graces. You'll learn how to make introductions, how to properly dress and engage in conversations at any event and how to be a great hostess or guest.

Wedding Etiquette

You've been dreaming of this day your entire life, but you're quickly realizing there's so many "rules" to the wedding process. Feel confident on the most important day of your life with our customized etiquette packages for brides, grooms and/or bridal parties. Learn more about our wedding packages [here](#).

PRIVATE COURSES

Entrepreneur Etiquette Bootcamp

Providing an exceptional customer experience is at the cornerstone of any successful business. This course is for entrepreneurs looking to differentiate their business by learning the foundation of providing superior customer service to increase sales and grow your business.

Children & Teen Etiquette Classes

Investing in etiquette for your child or teen will reap countless rewards throughout their life. We have courses specifically designed for children and teens aged 5-17 to teach them basic manners, confidence in social situations and dining etiquette.

Dating Etiquette

Dating might look a lot different these days, but the art of dating remains the same. This course will give you confidence on your next date. We cover body language, dress and appearance, conversation tips and when and how to follow-up after the date.

Cutomized Courses

The outlined courses are a collection of our most popular sessions and topics. If you have another etiquette need, we are happy to create a custom course just for you. Email us at itscommoncourtesyinc@gmail.com for details.
