SESSION DETAILS

--- PORTRAIT SESSIONS

Depending on the Collection that you choose, your senior portrait session will last anywhere from thirty minutes to an hour with one to three different locations, in town and out of town. Each location is based off your preferences to ensure your true personality shines through each photograph. We always end our sessions around sunset for the best lighting.

--- DIGITAL IMAGES + PRINT PRODUCTS

Approximately one week after your portrait session, you will receive a link to your Review Gallery with unedited images from your portrait session. From there, you and your family will select your favorite images for us to edit. The amount of digital images will depend on the All-Inclusive Collection that was chosen at booking.

We digitally retouch and lightly enhance each individual image as needed with color corrections, lighting enhancement, stray hair removal and blemish removal. We want your images to look like you and be as natural as possible. After the editing is finished, we will upload the images to your Final Gallery. There, you and your family are able to request additional editing, if needed, before your Gallery is finalized.

Optional professional print products are also available at an additional cost. We carry albums, wall art, gift prints, and more. All of our print products are printed using professional print labs that are only available to professional photographers.

We want your experience with us to be as stress free as possible, which is why we offer zero interest payment plans.

It is only \$500 down to reserve your session date, regardless of the Collection you choose. The remaining balance is then split into equal payments for a duration of 3, 6, 9 or 12 months. You can view your balance and make payments, at your convenience, through an online portal that will be set up after booking.

Once the down payment has been made, we can schedule your senior session as soon as you would like. If there is a remaining balance after the session has taken place, the images will be held until the final payment has been made.
