Like Wendy who sold 200 T-shirts in a single day with her very first Facebook ad!

"I'd been using Facebook for a long time, socially, but every time I tried to use the advertising platform I would get confused, I didn't know what I was doing, and it sounded like a catalogue item instead of something that was to people. I really didn't make the connection - until I signed up for Moolah.

I uploaded a T-shirt on Amazon Merch the night before the first Moolah Marketing class and designed my first ad the next morning in the class - exactly how Rachel taught it. **That DAY - I sold over 200 of those shirts!** It was AMAZING!

My ranking for that Tshirt flew up to #2 on Amazon and it stayed in the top 10 for a week! I sold over 400 of that shirt that month - and it still Sells!

I realized that my authentic excitement was what people were really looking for. You have to connect with people - not customers. Moolah taught me how to do that."

Or Amy who grew her audience by 64x in under two Months!

"In less than two months of being in Moolah Marketer I've gone from 2,500 followers to over 160,000 followers! Nothing short of incredible!

I remember sitting there with my friends watching my first video go viral! It just kept getting bigger and bigger! It just EXPLODED!

The course taught me a lot of things but most importantly I learned how to use my Bumper Sticker so that anyone who came to my page would know exactly who I was, what I was about, and could decide whether they wanted to follow me or not. And if they did - they were super engaged.

If you're trying to grow your reach on Facebook - you need to take this course.

I've been on Facebook for years, I've been in blogging groups - but I didn't know any of the things that I know now and it's literally made mind-blowing changes to my page.

I get traffic, I get interaction, and I have a vibrant Facebook community now where it was tiny and dead before. It's a great investment! I would absolutely recommend it!"

I'M READY RACHEL TAKE ME TO MOOLAH!

We're committed to your success and we know you are too - so it's your turn now.

You've waited for the doors to open again for our Flash Sale but you know what that means - the doors will open and close *IN A FLASH*.

Registration will be open for the next FIVE HOURS and then the doors close again!

So what do you say Violet? Are you ready to join the rest of the gang of Facebook Page Stars inside Moolah Marketers? We're waiting for you inside!
