about us

KATI & ALEX

Hello! I'm Kati- a wedding photographer born and raised in Texas! I established Kati Hewitt Photography in 2012, and since then, I've photographed almost 150 weddings! I married my high school sweetheart, Alex, in 2016, and we've been photographing weddings together as a husband and wife team ever since. Wedding photography has a hold on our hearts because we believe in true love, the power of authentic story-telling, and the importance of family heritage. There's nothing we love more than being on the same team! Together, we capture your wedding day intentionally and artfully through two lenses from beginning to end.

In our free time, you can find us working on DIY home improvement projects, planning our next road trip, baking bread from scratch, and visiting cozy coffee shops around Houston. Our favorite date night is going to the theatre to see a Broadway musical and then eating late night breakfast for dinner after the show!

We're a husband and wife team, so we've divided the timeline into what Kati and Alex are each doing at different parts of the day!

We arrive at your wedding venue 3 hours before the ceremony and say hello to everyone!

START

2 PM

We photograph the bridal details (like rings, invitations, and shoes)!

Alex heads to the groom's suite while Kati captures "robe photos" in the bridal suite.

2:30 PM

3 PM

Kati photographs the bride getting dressed and putting on her accessories! Then, it's time for a Bridesmaids Reveal and/or First Look with Dad.

Meanwhile, Alex is photographing the groom getting ready.

Option 1 (First Look): The bride + groom do a First Look, and we take bride + groom portraits after!

Option 2 (No First Look): The bride + groom can use this time to exchange letters/gifts without seeing each other.

3:30 PM

Option 1 (First Look): We take the group bridal party photo (bride + groom + bridesmaids + groomsmen)!

Option 2 (No First Look): We photograph the bride with her bridesmaids and family during this time.

3:45 PM

Option 1 (First Look): Alex photographs the groom + groomsmen while Kati photographs the bride + bridesmaids. We also take immediate family photos.

Option 2 (No First Look): We photograph the groom with his groomsmen and family.

4 PM

4:30 PM

Relaxation time before the ceremony! We are photographing ceremony and reception decor photos while bridal party is getting ready to line up for the ceremony.

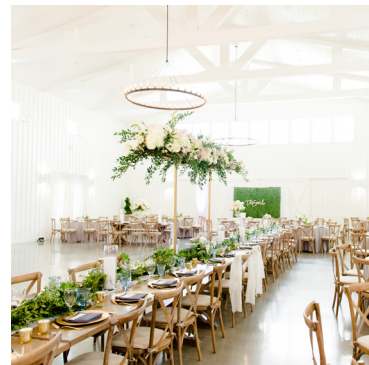

It's ceremony time! We tag team for double coverage of the ceremony. Kati rocks a variety of wide lens while Alex uses a super zoom lens. (And brides, we prioritize photos of you walking down the aisle AND your groom's reaction!)

5 PM

Family photo time! Alex helps Kati set up for family photos, and then Kati calls out and directs family photos. Alex snaps photos at cocktail hour.

5:30 PM

After family photos, we photograph the group bridal party with the flower girls and ring bearers for about 10 minutes.

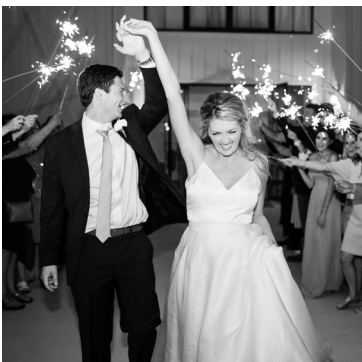

Then, it's time for some beautiful bride and groom photos before the sun sets!

6 PM

PARTY TIME! You make your Grand Entrance into the reception, and then we capture the special receptions events, like toasts and cake cutting!

6:30 PM

8 PM

DANCE FLOOR IS OPEN! We both become flies on the walls while capturing candid photos throughout the reception. Kati takes photos on the middle of the dance floor while Alex shoots from outside of the crowd.

We celebrate the end of a perfect night with your Grand Exit! (The end time will depend on the amount of photography coverage in your package.)
