

Online Paint Colour Consultation: Open Layout

HOW IT WORKS

01

PICK YOUR PACKAGE

Click the Add to Cart button on this page to order an Open Layout Paint Colour Consultation.

02

TAKE PHOTOS

Take photos of your space in natural light as per the detailed and easy to follow instructions you will receive from me once you purchase the package.

03

COMPLETE DESIGN QUESTIONNAIRE

After purchasing this service, you'll receive a comprehensive online questionnaire that allows you to share your style, design preferences, favorite paint brand, and provide photos of your space with me.

04

PAINT COLOUR PRESENTATION

After receiving your completed questionnaire and photos, I'll create a paint colour consultation report. It will include three options for your open concept space aligned with your vision, complementing your home's decor, architecture, and style. Additionally, you'll receive a paint sheen guide, testing instructions, and some 'Rose' styling inspiration.

WHAT TO EXPECT

COLOUR CONFIDENCE

Explanations that help you feel confident that the colours selected for your open concept space will have the look and feel you envisioned for it. No more second guessing or analysis paralysis!

TESTING AND FEEDBACK:

Detailed instructions on how to test your paint colour recommendations and support through the testing process.

WHY CHOOSE AN ONLINE PAINT COLOUR CONSULTATION

Simplify the paint colour
selection process.

Receive custom-designed colour
schemes perfectly tailored to your space.

Gain designer reassurance, eliminating
second-guessing and allowing you to
confidently visit the paint store
without fear of wasting money on a
poor choice.

Enjoy the convenience of an easy
online process at your pace, delivering
the results you desire.

Experience a transformative effect
with a stunning new paint colour that
brings your dream home to life.

WHO IT'S FOR

People who have open concept areas in their home that include a kitchen, living room, and/or dining room where a unified colour scheme is desired.

People with a multi-room space where a consistent colour palette is preferred.

People who are unsure of how to coordinate a paint colour with the interior finishes of their home.

People that prefer the convenience of a virtual service, rather than in-person consultations or on-site visits.
