

# Don't Give Bullies a Chance!

By Year 5 2021

## **Chorus 1: (by Heidi and Sasha I and Sasha W)**

Bullying is bad,  
It makes people sad  
Bullying is wrong  
So, listen to our song

## **Verse 1 (by Ned, Ollie, Markus, Mark, Henry)**

You're pulling my hair  
That is so unfair  
You're not being nice  
What a surprise  
I'll go tell the teacher  
If you don't stop being a creature  
Being a bully is bad so bad  
Cause you make others sad so sad

## **Verse 2: (by Heidi und Sasha I)**

It's not cool to call names  
I don't wanna play your games  
Quit being rude  
It puts people in a mood  
You better stop picking fights  
Everyone knows it's not right  
Don't make me cry  
Just stop rolling your eyes.

## **Chorus 1: (by Heidi und Sasha I)**

Bullying is bad,  
It makes people sad  
Bullying is wrong  
So listen to our song

## **Verse 3: (by Moritz, Matthias, Marco, Nicolas)**

You bite, you kick, you punch, and you spit  
Can't you see that I don't like it?  
It hurts don't you see, just let me be  
Stop bullying, would you like to be me?  
Did you know you're making me sad?  
What you're doing is quite mad  
Bullies are cowards, they are crazy,  
Just sort it out and do not be lazy

## **Verse 4 (by Sashko, Kai, Oskar, Davey)**

You are unfair  
You just don't care  
You could be nice  
Instead, you're cold as ice  
Bullying is bad  
It makes people sad  
Stop being mean  
You're making a scene

## **Chorus 2 (by Moritz, Matthias, Marco, Nicolas)**

Bullying is dumb and it is not fun  
Bullies take the light from everyone's sun.  
Don't hurt my feelings, don't be mean  
Can't you see that I am gonna scream

## **Verse 5: (By Chloe S., Ella, Chloe E.)**

Why do you keep coming back?  
Even though I told you to stop that  
I'm sitting in my chair  
You obviously don't care  
You haunt my dream  
Because you are mean  
I am so sad  
Cause you are so mad

## **Verse 6: (by Ted and Frau Froidevaux)**

If you call people names  
You won't be in games  
If you cheat in the game  
You won't get the fame

Stop using your hand  
And start being my friend  
It's nothing but unfair  
Stop laughing at my hair

## **Chorus 2 (by Moritz, Matthias, Marco, Nicolas)**

Bullying is dumb and it is not fun  
Bullies take the light from everyone's sun.  
Don't hurt my feelings, don't be mean  
Can't you see that I am gonna scream

## **Chorus 3 (by Griffith and Ayrton)**

Bullies are dumb and I am done, done, done  
Don't pull my hair!  
Don't you care?
