# CONGRATS!

Thanks so much for getting in touch with me about your upcoming, special day—big hugs and congratulations! Whether you are planning to elope, have an intimate beach wedding, or celebrating with all of your family and friends – I'd absolutely love to be a part of your day!

As a wedding photographer, I adore capturing the raw, unabashed connection between two souls, embracing the essence of your romance.

## Why I can't wait to document your day

From stolen glances to cheeky kisses and getting loose on the d-floor, I'll be there to document your love story (and all the fun bits). I'll even make sure to snap authentic moments that may've slipped by unnoticed – they're the best ones!

Whether you want me to inconspicuously lurk in the shadows, snapping candid shots or be right up the front, rounding everyone up for group photos, I'll be the chameleon you need on the day. Either way, I'll be behind the lenses, not missing a beat.

Hand on heart, every ounce of my energy will go towards creating a gorgeous collection of images to forever memorialize your day. When you look through the photos memories will come to life and it'll be as though you're right there doing it all over again.

Inspired by the love, beautiful nature, and kind people in the place I call home– the Outer Banks.

I have always been creatively minded and had a deep love for true connection between humans. I believe, at the end of the day, these true moments, even the smallest ones, are what mean the most. Weddings are filled with these tiny moments and the fact that I get to capture them, stop time and hand them onto you to be remembered forever means more than you may ever know.

Chat soon, I can't wait to hear all about your ideas and plans for the day.

# HI, I'M DOROTA

## Kind Words

Dorota was so great to work with! She was so responsive and helpful leading up to our wedding. She helped us with photo ideas and making sure that she knew what our vision was. My husband and I aren't the most comfortable in front of the camera, but Dorota put us at ease. Our photos turned out amazing!

“Amazing Photographer!”

From the first email to the day after the wedding when we got our photos Dorota was absolutely amazing to work with! She was so organized, calm, and efficient working with our families. I also love that she met with us weeks before the wedding and took detailed notes about our families and everything we were looking for! She was also so fun and laid back so we were relaxed and enjoying our time taking the photos!! I just can't say enough good things and would HIGHLY recommend. I've already recommended her to friends and family who have seen our photos and asked who the photographer was. Thank you Dorota for capturing our day (in a way even more beautifully than I could have ever wished for!!) and for the photos we will treasure forever!

## SECOND SHOOTER

---

10

As much as I'd love to clone myself and be in two spots at once, it's a lot easier to get extra coverage if you choose to have a second shooter on the day.

This is a particularly good idea if:

- You have a large guest list, and want to make sure we get shots of everyone that's there on the day
- You and your partner are getting ready at the same time, and the locations are far apart
- You're wanting photos of the ceremony and reception styling, prior to the arrival of your guests

Basically, the second shooter will act as my wingman/wing woman, doubling the coverage of your wedding.

We'll team up to make sure that everything is captured, from start to finish, locations far apart. Lastly having a second shooter will ensure photos are taken of the ceremony and reception styling, undisturbed by guests.

# ENGAGEMENT SHOOT

Authentically capturing just the  
two of you, being yourselves

*Dorota Kight Photography*

How many professionally taken photos do you and your partner have, ones that you really love and can fill your home with?

An engagement shoot is a chance for us to capture some really beautiful, candid photos of you and your partner in a relaxed environment. Just the two of you, being you.

Plus, if you're a little camera-shy, it's the perfect opportunity for you to practice being comfortable in front of the camera, in the lead up to your wedding day.

Either way, I promise that we'll have a lot of fun while we're at it.

## Where are you based?

I'm based in Kill Devil Hills, NC, but I travel all over the globe to capture love.

## How long does it take to receive our images?

It will take roughly 4 to 6 weeks to receive your final wedding photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images. If you'd like your photos sooner, please ask me about the rush fee.

## How will I receive my photos?

Firstly, I'll send you a handful of sneak peek shots a couple of days after your wedding. 4 to 6 weeks later, you'll receive a link to your online gallery and slide slow to watch and relive your wedding day. Around the same time, you'll also receive a beautiful package in the mail with a USB, prints and a little thank you from me.

## How many photos will I receive?

The number of photos depends on the length of the wedding and the coverage time. It's usually between 60- 100 photos per hour of coverage.
