HEY THERE!

ABOUT | 3

It's great to meet you! Well ... Kind of meet you. Hopefully we can meet face to face sometime soon. We're so thrilled you're considering us for such an incredible day. The two of you are about to start the most challenging, rewarding, exciting, life-changing experience of your lives together - And choosing someone to capture that day through photography is a big decision. Let us introduce ourselves - our names are Emma and James, and we're partners in life and crime. That's us, in the picture above - running through a field like idiots in 20 degree temps. You probably can't tell, but right before this picture was taken, it was pouring down rain, then snowing, and our poor little rental car was wheezing from the Colorado altitude. But we made the most of it, and had a blast. It absolutely exemplified why we love to do what we do. Sometimes things get messy, but that's okay. In any situation, we roll with the punches. And that's exactly what we promise you for your wedding day.

It's important you find someone whose work you LOVE - But we believe it's just as important you find someone who will bring out the best of who you are in your photos. After all - Your wedding day to your soul mate, your best friend, your ride-or-die - it's once in a lifetime. And we are stoked to celebrate with you, and capture everything that makes YOU the couple you are. As for us, We're lovers of adventure, dreamers, artists, nerds, goofballs, and a tad addicted to ice cream. Give us a good photo spot and a hiking trail and we can get lost for hours. We hope this guide gives you an idea of our style, and who we are!

Here's what we're all about: Getting to know you as friends not just a client, a job, or a paycheck. We LOVE getting to see our clients as friends, because when the wedding day comes we get to CELEBRATE WITH YOU!. We are adventurers, fearless, and love working with couples who share this adventurous spirit and desire to create something breathtaking that will last a lifetime.

We are the people you spend the most time with throughout your wedding day. The foundation of trust and comfort we've built together reflects in every photo - in the easy way you hold each other, how natural it feels to let go and laugh, cry or simply breathe together.

Your wedding is YOUR story. It's beautiful, it's messy, it's totally unique.

We're wild about capturing every part of it.

60 minute session | 30+ final edited images | 1 location

BRIDALS - \$450

Weddings \$1900

ONE PACKAGE | ALL INCLUSIVE

We used to be like every other photography company out there that offered several different time and image limits, but we thought “why limit your day and your memories?” In our experience, 10 hours is the perfect amount of time to capture everything you need, from the important parts of getting ready to your grand exit. As for the photos? We deliver as many great ones as we have to offer. We don’t hold back.

-Up to 10 hours coverage for your day ; roughly 600-1000 final edited photos, on average

-Travel within the lower 48 United States - need us go further? Just ask!!

-Two lead photographers - As you may have seen on our website, we are a couple with different talents and we shoot every wedding together as a cohesive team to give you a full wedding day experience and to make sure we can be in two places at once! Which is more important than you might think.

-Full digital gallery! You’ll have access to a gallery delivered digitally, where you can download high-res and social media sized images. No watermarks or weird gimmicks or USB’s that get lost in junk drawers. Just easy breezy delivery.

-Printing rights! While we DO offer custom designed wedding albums as an add on and have a very convenient, pretty store using professional, photographer-approved printing labs in which you can order canvases, prints, cards, all the beautiful display things (and we do give you an awesome discount as the clients) - We also don’t want you to be beholden to purchasing those things only through us. So, we provide a print release that allows you to go anywhere to get your prints done without legal image rights hassles that you can sometimes run into with print shops and professional photography.

-Add-On: Engagement or bridal session! We love to offer engagements, whether you’ve already had a session done prior to us or not, because it’s an excellent way to get to know you as a couple and for you to get to know us, and build a rapport so that we know what style of directing and posing, when needed, works best for your personalities day of. Add either engagements and / or bridals onto your package for a discounted rate of \$300 (does not include additional travel costs outside of DFW if needed.)

What if I want engagements AND bridals?

Add on the extra session for just \$300! (Originally \$450 - does not include travel costs beyond DFW, TX)

How much are your albums?

Add on a professionally designed and curated, heirloom-quality, 20-spread, leather / linen / wood cover wedding album, starting at \$900.

Why are your albums so expensive?

A 20-spread hand-tooled leather cover album costs us about \$600 from an exclusive, photographers-only album maker, plus our design fee for curating each of your 20 spreads, which amounts to about 10 hours worth of work on our end! It's no easy task, but the results are gorgeous and will last a lifetime.

Do you travel?

Yes! Worldwide! Travel to the lower 48 United States is included in our package! Beyond that, just ask us!

Do you back up your photos? What if a camera fails, or if you forget a battery or SD card?

We always bring an extra camera with us to your session or wedding, so we have three on us total in case one (or two) fails. We have an obscene amount of batteries and SD cards that we're anal retentive about always keeping, fully charged, in all three of our camera bags. There's no way we're gonna be without them on your day. Backing up photos? Ohhhh yes. Obsessively. Both of our main cameras have dual card slots, which means they record to two SD cards simultaneously in case one gets lost or corrupted, and when we get home from your wedding we immediately back up every card to two different external harddrives! We even keep one harddrive off site, in case there's a fire or flood in our home!

Do you offer boudoir?

Yes! While it should be noted that I am not a full-time boudoir photographer, it is something that I have done for my brides before. Add on for \$800, which includes a professional hair and makeup artist and the studio rental. In return, you'll get your final edited digital gallery for no extra charge, and a glass keepsake box with (15) 4x6 prints. Give a gift to your fiance and add on a little black book for just \$300 or a luxury album for \$900. We can also accommodate a couples steamy boudoir session for the same price. Travel outside of DFW, TX not included in named price.

What camera system do you shoot with?

Sony mirrorless!

Do you have your own lighting?

Yes! We have three external flashes, plus umbrellas and c-stands for portrait lighting.

ready to book?

WE'RE SO EXCITED TO MEET YOU!

To book, we ask for 30% down as a retainer (and if you are having a hard time making that - just let us know; we're good humans - we'll work with you!) and a video chat consultation and a signed contract. The rest of the payment can be done as a payment plan. Or, if you decide you want to pay in full up front we gift you (5) 8x10 prints after you get your gallery as a thank you OR \$100 off the total package price!

If you're picking up what we're laying down, we'd love to hear back from you! If you're not an email person, shoot me a text / give me a call! We can answer all of those burning questions and get excited with you on a more personal, less-formal level. We even video chat if you wanna see our pretty faces and want us to see yours. Just give me a heads up so I can put on something that isn't my old college hoodie. ;) Can't wait to hear from y'all!

Emma & James were so much fun, and made us feel so incredibly comfortable in front of the camera. We're naturally shy and awkward in front of the camera, but the light and love they captured of us through their eyes was truly something special.

- HALLIE & COLTON

Such professionals! From the quick responses, through the booking process, and holding their own against a hectic and chaotic wedding day and some tough situations, we were thoroughly impressed with how they helped our day run so smoothly despite all the setbacks.

- HEATHER & JIM

I am so thankful we hired James and Emma for our wedding day. They got every moment that was important to us, as well as ones that we didn't even know were at the time. My aunt passed away soon after our wedding day and James and Emma were able to provide us plenty of images of her.

- KANDACE & ANDREW

We set out to have a small courthouse wedding, but they turned it into something truly special for us! From a surprise engagement shoot, to getting the most gorgeous courthouse photos we've ever seen, to taking us all around the city for a post-wedding adventure, I couldn't imagine our day without them.
