**PHOTOGRAPHER!**

“Several years ago, my wife and I decided to do what we feel God was telling us to and go ahead with photos. We are so glad we did. It has been so much fun and so fulfilling. My wife Bonnie is my partner in the business, my best friend, and pretty much the best person I know. We have three wild and crazy kiddos. Emery, Luke, and Ada keep us super busy and laughing most of the time. They are all full of energy and personality! We love photos, people, and life, and pray that shows up in the photos. Although we both feel called as educators, our full-time responsibility, we also feel called to try and capture memories the best we can in an affordable manner. We would love an opportunity to work with you. Let's talk!”
