Description & Goals of the Trip

N.C. Baptists are on mission together by collecting coats throughout the year and distributing them to those in need in New York City. Join with others as we partner with South Carolina Baptists and the Metropolitan New York Baptist Association in this incredible service opportunity. December 3rd will be a day of organizing coats, the 4th will include evangelism opportunities, and the 5th will be coat distribution and evangelism.

Accomplishing the Great Commission

This trip encourages people to go outside their typical comfort zones to meet physical needs in order to offer the hope of Christ that provides for the eternal spiritual need of all people. Partnering with Graffiti 2 church in the Bronx during this weekend is one way that we can support their evangelistic efforts in the city as they aim to make disciples and teach them all that Christ commanded, to impact the Bronx for the Kingdom.

Long-Term Partnership

This partnership has been ongoing for several years. This trip connects Rich Fork, NC Baptists, SendRelief, and Graffiti 2 Church in long-term efforts in New York City. Our congregation collects coats through the fall of each year to send to New York, connecting the efforts of those that go and those that support from home. This is a good opportunity for individuals or families (with certain minimum age restrictions).
