"THE FIRE AT CAMP" (TUNE: WHEELS ON THE BUS)

The fire at camp goes crackle crackle pop
Crackle crackle pop
Crackle crackle pop
The fire at camp goes crackle crackle pop
The whole camp trip long

The rain on my tent goes pitter pitter patter
pitter pitter patter
pitter pitter patter
The rain on my tent goes pitter pitter patter
The whole camp trip long

The sun on my face feels so warm
Feels so warm
Feels so warm
The sun on my face feels so warm
The whole camp trip long

The moon at night glows so bright
Glow so bright
Glow so bright
The moon at night glows so bright
The whole camp trip long

We all are having so much fun
So much fun
So much fun
We all are having so much fun
The whole camp trip long

"CRACKLE CRACKLE LITTLE FIRE" (TUNE: TWINKLE TWINKLE LITTLE STAR)

Crackle crackle little fire
Here's more wood to build you higher
Now keep us warm all through the night
Till the morning's new sunlight
Crackle crackle little fire
Here's more wood to build you higher

When the daylight is all done
And there is no more sun
Then we'll help make you strong
Warm we'll be all night long
Crackle crackle little fire
Here's more wood to build you higher

"FIVE LITTLE CAMPERS" (TUNE: FIVE LITTLE MONKEYS)

Five little campers playing in a tent
One fell down and out he went
The camp leader saw and then he said
No more playing it's time for bed

(countdown to no little campers)

No little campers playing in a tent
They all fell down and out they went
The camp leader saw them then he said
No more playing let's go to bed
