The Coming Second Wave

What Does the Future Hold?

// Satan has many things planned, **but I couldn't care less.** My future is not determined by the world—**my future is determined by The Word.**

— Ev. Jonathan Shuttlesworth

ONE GREAT IRRITATION in my life is the Christian's obsession with what Satan is doing. Despite the clear command of Scripture to "fear not," Christians actively seek out negative news and use their social media to share doomsday predictions. Are there bad things coming upon the world? Absolutely. Right now, the antichrist spirit is pushing toward a cashless society, forced vaccinations, heavily restricted travel, closed down churches, and the complete loss of personal freedom.

BUT WHO CARES WHAT SATAN IS PLANNING?

"Though they devise a wicked plan—their plan will not succeed—it is a plan they are not able to perform." Psalm 21:11

Satan has many things planned, **but I couldn't care less.** My future is not determined by the world—**my future is determined by The Word.**

The enemy has no ability to determine your destiny!

Not one of God's promises in The Bible for your life have been nullified!

You are still the **head and never the tail.**

All things must still work together for your good.

Your path still **shines brighter and brighter until that perfect day.**

The Blessing of Abraham is still yours.

The Greater One still lives in you.

Satan is still under your feet.

YOU ARE STILL MORE THAN A CONQUERER!

THE COMING SECOND WAVE

When the global shutdown caused by World War I lifted, the Pentecostal message, which had largely been confined to the United States, spread like wildfire to the nations of the world.

When the global shutdown of World War II lifted, the tent healing meetings swept America, and mass evangelism miracle crusaders swept the world.

When the preaching of The Gospel is

restricted, God restores what the locust and canker worm destroyed.

**I SEE A COMING SECOND WAVE...
Not of death... I see a surge, possibly the final surge, of revival coming upon the nations of the earth. I see a new breed of ministers emerging who will boldly proclaim The Gospel of Jesus Christ to a generation who's lost and dying.**

I SEE BREAKTHROUGH.

I SEE VICTORY FOR THE CHILDREN OF GOD!

*"Be patient therefore, brethren, unto the coming of the Lord. Behold, the husbandman waiteth for the precious fruit of the earth, and hath long patience for it, until he receive the early and latter rain."
James 5:7*

As I write this, I have been preaching with Dr. Rodney Howard Browne at the largest and possibly only outdoor Gospel crusade going on right now in the earth. Pastor Rodney has bravely stood down all restrictions and opened a platform for us to preach every night! Carried across the United States, UK, and the entire continent of Africa, live on television—on a bad night we reach 40,000 people with The Gospel of Jesus Christ!

I want you to know how much it has meant to Adalis and I to have you stand with us in one of the most challenging hours to carry out The Great Commission! You have been an encouragement and strength. We love you very much.

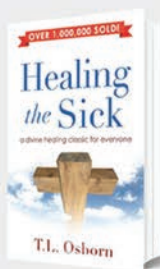

TAKE THE CHALLENGE!

I felt prompted to appeal to **300 people who would sow a \$1,000 seed** into world evangelism. As well as **10 businesses/ministries who would sow \$10,000**. As you do, I want you to join your faith with mine to see these next six months of your life to be the greatest six months you've ever had—supernatural harvest regardless of what's happening in the world!

To say “thank you” I’m sending you the nicest gifts I’ve ever sent.

HEALING IS FOR TODAY

Jonathan, I was watching you preach last night. You prayed for those with back problems who needed to be healed. I believed with you and prayed raising my hands to heaven.

When I laid down and thanked God for my healing, I heard a click in my back and felt it snap back into place. I am pain free after a week of being in almost crippling pain where I could hardly walk.

Thank you for evangelizing. Thank you for preaching. Thank you for speaking in faith. Thank you for praying for people. Thank you for sharing your testimony.

I so enjoy you and Rodney Howard-Browne. I've been watching you every night since I lost my job in March. But I don't worry about that because I know that God's in control. Recently, my bank actually sent me back over \$7400 on a deposit error!

Love to you and Rodney and your precious families.

GOD WILL PROVIDE FOR YOU

I was listening to Ev. Jonathan as he taught from The Word about sowing seeds and expecting a miracle. I had only thirty-thousand Uganda shillings which is equivalent to nine dollars. I felt in my spirit to trust God and give away everything. Meanwhile I have three kids, and my husband, who doesn't support us that much. Ev. Jonathan also said that we ought to change our confession and declare God's promises. Twenty-three days later, my eldest son's teacher sends an invoice for the online classes. The amount was bigger than what I have always paid since he's a staff child. I went to the accounts office to correct the mistake. I found out that the school actually owed me over 200,000 Uganda shillings – equivalent to \$60. This money was deducted from his current fees due and now I only have to pay half the fees. This is God being faithful to His word in Isaiah 45:3. The chains of poverty are broken off of my life for my family and generations to come. Thank you Ev. Jonathan for being a blessing to us at The Stand. God bless you and your family.
