THE
Wedding
EXPERIENCE

OUR PHILOSOPHY | We are sure your mind is racing with all that needs to be planned. It's all very exciting but it can also be somewhat overwhelming. You're planning the day that you've been anticipating your whole life and yet you only get one shot at it! By the time you get the hang of it, the planning is over! Our goal as wedding photographers is to make this one aspect of the planning process simple. Photography is more than just images, it's a real part of your day. Not only do you deserve beautiful images, you also deserve an amazing photographic experience. When our couples feel comfortable and relaxed in front of the camera, that results in genuine, joyful images!

Your wedding day is an experience from beginning to end and your photography is a huge part of that experience..... shouldn't it be fun? and enjoyable? and natural? We think so! Our goal is to not only capture memories for our clients, it's to create an experience that they will never forget.

T H E P R O C E S S | One way we ensure that our brides and grooms enjoy the BEST photographic experience possible is through forming a relationship with our couples. We try our best to make sure that all of our couples are the PERFECT fit for us before officially booking. A bride and groom should connect with their photographer, trust their photographer and be EXCITED about the whole process with them! After booking, we love getting to know our clients through an ENGAGEMENT SESSION that helps them warm up to the camera so that they are ready to rock and roll on the wedding day! By the time the wedding day arrives, our clients feel more like friends and that creates a safe and relaxed environment for photography! Now that you know a little bit about our approach to the wedding day, you can continue reading to find more detailed information about THE WEDDING EXPERIENCE!

W H Y I N V E S T ?

Your first decision as an engaged couple is to set priorities for your wedding planning. You have to decide what you value most. Is it the dress? The food? The venue? We believe that couples should make their photography a top priority. After the big day is over, you will leave your reception with a spouse & your pictures.... that's it! All of that planning and preparation is over in a matter of hours! So if you're choosing to invest in high quality photography, those images deserve a classy, elegant home after the wedding. We offer high end, leather bound heirloom albums for our wedding clients. The images are printed straight onto the pages and the covers are wrapped with top grain leather. This is the perfect ending to The Wedding Experience and it's a keepsake that you will be showing your children and grandchildren one day!

STEP ONE: LET'S MEET

After we've received your inquiry, we will read over all the details (The more details the better)! If we are available, and it sounds like we are a match made in heaven, we will send over an email describing the B & B Experience! We will get a coffee date scheduled as soon as possible so we can get to know you two and hear your love story! Oh, and the best part? We will ask to hear your wedding day dreams! Are you an out-of-town bride? No biggie! These dates also have the option to be over Skype/FaceTime if needed!

STEP TWO: ENGAGEMENT SESSION

Once you've booked with us, it's time to make your dreams a reality! We will begin by scheduling your engagement session. And don't worry...this will be FUN! We've created a magazine-styled guide to prep you and your man! The Bride Guide is your 'go-to' resource for all the exciting details! Capturing this special season of your life will be oh-so-amazing! After your engagement session, you'll be featured on the B & B Blog and sent your Online Gallery to share with family and friends.

STEP THREE: FINAL DETAILS

Once your big day is just 8 weeks away, we'll start making sure we are fully prepared! We will schedule your Field Trip (an evening dedicated to visiting the venue to talk about your dreams) and your Timeline Creation Meeting! Together we will go over all the last minute little details, final timelines, formal portrait lists, and more. We work hard to alleviate any potential 'wedding day stress'. Being a B & B Bride means you have the best pros by your side.

STEP FOUR: WEDDING DAY

YAY! It's time to celebrate and let us get to work! We will make sure your day goes smoothly, stress-free and as planned! We believe in capturing the full story of your wedding and will be there to follow your timeline as your day unfolds! We live for all of the little moments, perfect details, and sweet snuggles.

STEP FIVE: GALLERY DELIVERY

Just a few short days after your wedding, you'll be featured on the B & B Blog! And, while you and the new hubby are off having an amazing time on your honeymoon, we will be working hard to make sure we put together a Pinterest-style gallery full of amazing imagery that truly tells the story of your day. We will have your full gallery completed & ready to be shared just two short weeks after your wedding! We encourage you & your husband to grab a glass of wine and enjoy reliving your wedding day!

THE WEDDING EXPERIENCE

ENGAGEMENTS :

We are more than willing to travel for engagement sessions! We actually love it when our couples ask us to photograph them in a location that means something special to them! We book engagement sessions about two months in advance and 60 miles of travel are included.

DIGITAL FILES :

We average 75-100 images per hour that we're shooting. We love delivering our client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want. We believe in freely sharing our work because that is what we would want if we were in your shoes!

TIMELINE :

We love working with our clients to craft the perfect timeline for their wedding. We will have a "Timeline Creation" meeting where we will create a custom gameplan for your big day. Stress-free weddings are our FAV!

OUR
SHOOTING
STYLE :

We love being both interactive and discreet throughout the wedding day. There will be parts of the wedding day when we will need to be in control in order to accomplish everything that needs to be done while staying on schedule. There will also be moments when you shouldn't even know that we are there. (The ceremony, during dances and toasts, etc.) We teach our couples how to pose, model and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from us!

BOOKING :

Once we have answered any questions you may have and you have decided that our Wedding Experience is exactly what you're looking for on your wedding day, the next step is a coffee date. After we meet, we will create an online proposal that will walk you through the package and when you're ready you can save your date by signing your contract and paying your deposit online. But first, coffee! ;)

Thank You

We're so glad you contacted us! Enjoy this season of engagement and get excited about your BIG DAY because it's going to be fabulous! Plan and prepare but always remember that at the end of the day, you're marrying the love of your life and that's all that really matters. Congratulations on your engagement and we look forward to hearing from you! Be sure to visit the [BLOG](#) to view our most recent weddings!
