## Breeze Digital Signage Media Player: 10P-BRZ

The Signwave 10P Breeze Digital Signage Media Player is a revolutionary way to deliver dynamic signage content for meeting room management using efficient methods and an Android OS. Breeze uses HTML5 Powered software that has unbeatable playback reliability and security, with an intuitive and simple user experience.

The 10P-BRZ features a slim design, that is power over ethernet ready and easily mounts to any surface, including glass.

### Modern Room Management

Share individual room schedules on Signwave, or the whole calendar itinerary. Plus, easily create a directory with our Readerboard widget in conjunction with your Breeze Digital Signage displays.

### Easy to Use Inside Breeze Digital Signage Software

The Signwave design tool is built inside of Breeze Digital Signage, so you can easily create and update your Signwave content anywhere you have internet access.

### Integrates with Multiple Calendars & EMS Providers

Integrate your Signwave with a multitude of EMS and calendar options, including Oracle OPERA Cloud (OHIP), Google Calendar, Outlook, Ad Astra, Exchange, LibraryMarket, Accruent, Amadeus, 25Live, and more!

# Breeze Digital Signage Software

## Easy to Use and Compatible

Breeze is simple and easy to use, featuring a drag and drop interface, easy file uploading, and smart widgets for a variety of customization features. The best part? Breeze is cloud-based, so it can be updated from anywhere, anytime with an internet connection, with unlimited users. Additionally, Breeze can work with a wide variety of networks, from wired to wifi to cellular, we have you covered.

## Safe and Secure

Breeze is designed with encrypted data to keep your information secure using SSL/TLS security. This allows Breeze to be installed in many locations without the need for any special network configurations. Upload and download with peace of mind: you're secure with Breeze!

## All Inclusive

Keywest Technology has developed an all inclusive digital signage software, containing our Breeze Digital Signage Software, a cloud-based server, a media player, a perpetual hardware warranty, and Breeze TOTALCARE, our superior technical support coupled with automatic updates to your software and more.

## Top-Notch Service and Support

Keywest Technology is a small, unique team with your best interests in mind. We offer incredible customer service, technical support, and product education, so you will be well taken care of every step of the way. We have worked with a variety of companies successfully for many years, and look forward to many more!
