[Amazon: Outfoxed](#)

## MOUSE TRAP

[Amazon: Mouse Trap](#)

- Super fun for ALL ages!
- The set up is totally worth it- takes a long time but worth every minute!
- Emotional regulation
- Problem solving
- Highly motivating for kids

## DON'T BREAK THE ICE

MAMMOTH EDITION

- Problem solving
- Logical thinking and planning
- Impulse control
- We love that this edition has different color ice blocks increasing the complexity and challenge of this game.

[Amazon: Don't Break the Ice](#)

winner winner!

[Amazon: Noodle Knockout](#)

fan favorite

## NOODLE KNOCKOUT

- This game has been a HIT this year!
- This game is great for all ages. There are several different ways to play this game (instructions included), so this game can easily grow with your child.
- Great for emotional regulation, critical thinking, impulse control, following directions & fine motor control

## EMOTIONAL ROLLER COASTER

[Amazon: Emotional Roller Coaster- link](#)

- Our all time favorite emotional regulation game!
- Our kiddos LOVE this one as well
- Great for identifying emotions as well as developing coping strategies

on our wish list

## BURGER MANIA

- Following directions
  - Impulse control
  - Flexible thinking
  - Multitasking
- This game has been on our wish list for awhile. We can't wait to add this game to our collection!

[Amazon: Burger Mania](#)
