(b) At each annual meeting of the Association, subject to the provisions of paragraph (j) below, the Association shall elect members to fill any vacancies on the Management Committee.

(c) Each Member of the Management Committee shall serve for a term of two (2) years. (h) Special meetings of the Management Committee may be called by the President of the Association or by any two Management Committee members.

If all the members of the Management committee are present at any meeting of the Management Committee, no notice shall be required, and any business may be transacted at such meeting.

(j) The initial membership of the Management Committee may be less than five, as determined by Declarant. Declarant shall have the option at any time to turn over to the Association the total responsibility for electing and removing members of the Management Committee and the officers. It is expressly understood that the Association may remain inactive until at least one-half of the Lots have been sold by the Declarant.

(k) The fiscal year of the Association shall end on October 31 of each year, or as otherwise determined by the Management Committee.

#### Section 4. Meetings of the Association.

(a) The presence in person or by proxy at any meeting of the Association of fifty percent (50%) in voting interest of the Owners shall constitute a quorum. In the event that such quorum is not present in person or by proxy, the meeting shall be adjourned for up to two weeks as designated by the chairman presiding at the meeting, at which time it shall reconvene, and any number of Owners present at such subsequent meeting shall constitute a quorum. Unless otherwise expressly provided in the Declaration, any action may be taken at any meeting of the Owners upon the vote of a majority in interest of the Owners who are present in person or by proxy and who are voting.

(b) At all meetings of the Association, Owners may vote in person or by proxy executed in writing by the owner or their duly authorized attorney in fact. Proxies shall be filed with the secretary of the Management Committee before or at the time of the meeting.

(c) There shall be an annual meeting of the Association each year as set by the Management Committee, either at the Property or at such other place in Lincoln County, Wyoming as may be designated by the Management Committee. The Management Committee shall give written notice of the time and place of the annual meeting, said notice to be delivered to the Members not less than ten (10) days prior to the date fixed for said meeting.

(d) Special meetings of the Association may be held at any time at the Property or at some other place in Lincoln County, Wyoming to consider matters which, by the terms of the Declaration, law, or the charter or by-laws, require the approval of all or some of the Owners, or for any other reasonable purpose. Special meetings shall be called by written notice, signed by a majority of the Management Committee, or by Members representing at least 20% in interest of all Owners and delivered to all Members not less than fifteen (15) days prior to the date fixed for said meeting. The notice shall specify the date, time and place of the meeting, and the matters to be considered.

The primary officers shall consist of a president, a secretary and a treasurer. The offices of secretary and treasurer may be combined as one office. The Management Committee may appoint such assistant officers as the Management Committee may deem to be necessary or desirable. No officer shall receive compensation for serving as such unless a majority, in interest of a quorum, of the Members vote otherwise.

(b) Any officer shall be subject to removal, with or without cause, at any time by the affirmative vote of a majority of a quorum of the members of the Management Committee then serving.

It is expressly understood and agreed that fines for any violations of this Declaration or the rules and regulations of the Management Committee may be assessed against a Lot and against an Owner, for violations by that Owner or by tenants or invitees.

Section 5. Rights to Collect From Tenant. If an Owner shall, at any time, lease any portion of a Lot and shall be in default for a period of one month or more in the payment of assessments or other charges, the Management Committee may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of the owner the rent due or becoming due, and the payment of such rent to the Management Committee shall discharge such tenant or subtenant from the obligation for rent to the Owner and the Owner from his obligation to the Association, to the extent of the amount so paid.

The granting of such a variance shall not operate to waive any of the covenants contained in this Declaration or the provision, covenants, conditions and restrictions contained in any Supplemental Declaration for any purpose except as to the particular property and particular provision covered by the variance.
