If you haven't met this little guy yet, you are missing out! Jett is the cutest, smartest, little firecracker 🕹 with a personality the size of Texas. He's got big ideas and big plans 🔮 . He has the most wonderful parents around. They really go the extra mile every single day. We could not be more proud of the skills he has built 🛠 and how hard he has worked to master all of his goals in speech therapy 💪 . We love you Jett 🛃 and are incredibly proud of you and all of your accomplishments! Way to go, Jett! 🎉

FUN & EXCITING

SKILLS & CONFIDENCE

WAY TO BUILD

SUMMER GROUPS

We are considering having some groups this summer for approx 8 weeks in the months of June and July

SCHOOL **SUCCESS**

Tuesday Mornings Ages 4-6 years SKILLS: following directions, language, articulation, comprehension, fine motor skills, literacy skills, and more

SOCIAL **SKILLS** Tuesday Afternoons

SKILLS: Ages 6-8 years building friendships, conversational skills, winning and losing, Ages 6-8 years turn taking, socially appropriate behaviors, and more

Ages 8-10 years

SKILLS: Ages 8-10 years attention, following directions, impulse control, self-awareness, self-regulation, motivation, challenge tolerance, and more

~\$200 per monthly program

Reach out to your therapist if you are interested!

We want to know how many clients would be interesting in building skills over the summer. We will offer spots in our groups first to our clients and then to the public if groups are not full. We want to know if this option is of interest first before we start planning and organizing, so please reach out to your child's therapist and let them know if

you would be interested.
