

# Kathryn Binkley

## *Business & Leadership Coach*

Kathryn Binkley is the founder & CEO of The Unshakable Company™ and an expert at scaling and leading small businesses. She's been in the business of growing businesses for over 18 years and has helped thousands of businesses scale. She started her career working for full service marketing agencies where she led cross-functional teams and managed multi-million dollar budgets for big brands.

She started her business in 2014, serving as a Consultant & Fractional COO helping small business owners scale from 6 to 7 figures. Now she coaches & teaches business owners (and their teams) the skills they need to successfully scale a business with predictable profit, unmatched freedom and unmistakable impact.
