Subject: NDA forms

Hi,

Thank you for your work on the NDA agenda item. I received a call back with confirmation that 3 commissioners had signed NDAs, but want to make sure I see the NDAs so I'm being accurate at the board meeting. Can you send me a copy of the NDAs signed by commissioners? I know proprietary information will be redacted, but the NDAs are public data.

If there's any possibility of having that today it would be greatly appreciated and I'll make sure give more time in the future.

Thank you,

Ashley
