TIRED OF THE SAME OLD BRAIN BREAKS? I'VE GOT YOU COVERED.

DIRECTIONS

1. Play the video showcasing 20 themed trivia questions.
2. Using the the provided printable worksheets, or scratch paper, have students record their guesses.
3. During the answer portion of the slideshow/video pause to allow students to share out or discuss their ideas/guesses with the whole class, in small groups or in partnerships.
 - a. This step is optional, but I find that if you want to get your students talking, it works great. If you need a few minutes of silence... you can ban conversation and it works just fine that way too!
4. Reveal final answers.
5. Total up scores

**** For your planning purposes, know that this trivia video is 8 minutes long.**

ADDITIONAL INFORMATION/IDEAS

1. This activity can be used as a brain break, ice breaker or fun game.
 - a. In my classes we keep our teams the same for an entire quarter. We have a "leader board" where we keep a running score for all of our brain break games. This is great for team building or creating comradery in a classroom learning environment. :)
2. You can assign this to individuals (ie: in Google Classroom) to do on their own, or complete the challenge as a whole class activity using a screen and projector.
3. This activity can work well in person or via distanced learning.
4. Because the videos are on YouTube, this is an activity that students can easily try/repeat at home with family members. :)
5. Consider letting a classroom helper or leader be the "game show host" and call on classmates to share their ideas and reveal the answers.
