

EMPOWERMENT PORTRAITS

empowerment portraits are a celebration of YOU, wherever you are in your journey of life! - body and spirit, you are truly worthy and good, and 100% worth celebrating! i'm here to remind you of that simple truth. empowerment portraits are intentionally structured and incorporate mindfulness practices: deep breathing, meditation, and positive affirmations, all in an effort to bring more positivity, gratitude, and love into your life. are you ready to step out of your comfort zone and change your life? read on!

MY WHY

i believe that every woman deserves an opportunity to see herself more clearly. the world consistently bombards us with messages that cause us to question our worth and value. sometimes we need reminding of how magical we are. empowerment portraits are a life changing EXPERIENCE that you can relive through your photos to remind yourself that you are worthy of all the good stuff :)

CLIENT REVIEWS

"i have never felt more empowered or beautiful in my life."

"my favorite shoot of all time for sure!! i've shown them to everyone!! i'm so in love and the first time i cried seeing a gallery. i soooo appreciate you."

"she's the best person for pulling greatness out of people and just making you feel so good about yourself!"

"i met alexi for the first time right before my shoot and she seriously was such a joy and had the greatest energy to her! she made me feel so cute and comfortable."

let's go!

empowerment portraits are client-driven, which means you pick your vibe, outfits, and setting! here are some ideas from previous clients:
