## Cut out this week's memory verse and put it where you can see it!

#### Let's review what you read this week:

Noah and the Great flood is a very popular story in the Bible and a powerful one too! Noah had so much trust in God's instruction that over many years he remained obedient. Have you ever been in a situation where it seemed really hard to be obedient?

MAYBE YOUR mom ASKED YOU to CLEAN YOUR ROOM BEFORE GOING OUTSIDE to PLAY, BUT YOUR friends KEPT CALLING YOU. OR YOU HAD TO BE CORRECTED, BUT YOU DIDN'T THINK IT WAS FAIR.

Sometimes when a situation gets tough to obey, it's a perfect time to remember Noah. God was so upset and frustrated with all humans; in fact, he was ready to end it all. Then he realized there might be hope with this one man, Noah.

The Bible says in Chapter 6 that Noah found favor with God. Noah had to obey God's instructions. He had to wait over 100 years for the Ark to be built and for the rain to come! He also dealt with a lot of people making fun of him. Remember, it had never rained before, and Noah was out there building a boat every day. What a crazy thing to picture!

### How can we pray?

THANK YOU, Jesus, for Helping me every DAY to obey Your Word. It truly is a Lamp unto my feet and light unto my PAth. I will listen and obey even when I may not agree or understand. I know you want what is Best for me-

**Amen!**
