

All of the Above Event Planning

DESIGN + WEDDING DAY
MANAGEMENT

Hello!

My wedding was a hot mess. I spent more time worrying whether or not my decorations were set-up just the way I had envisioned or if everyone was where they needed to be rather than just soaking in the day. Of course, at the end of the day, I got an amazing husband, but I still look back and wish I could have truly soaked in every moment on my wedding day.

I started All of the Above Event Planning because I want to help couples actually enjoy their wedding day. Most couples find themselves burnt out on their big day because planning a wedding can be overwhelming and stressful. That's where we come in! My team and I are a mix between Cinderella's fairy godmother and your on-call bff. We go above and beyond to make sure our clients feel heard and their needs are met. I look forward to helping make your wedding day magical!

Meet our Lead Coordinator!

Hi, my name is Alena! I have had a passion for weddings ever since I was a little girl! After I graduated with my Associate's degree in Marketing, I decided to pursue my passion for weddings and began working with Alexandra at All of the Above.

I started my career with All of the Above as an intern and have worked hard to become a Lead Coordinator with the company. I love helping couples bring their wedding day vision to life while making sure they feel stress-free and can simply sit back, and enjoy the ride! I can't wait to meet you and help you during your wedding planning process!
