

The background of the album cover is a soft, misty landscape. In the foreground, a small, dark wooden boat with a white canopy is positioned on a calm body of water. The water is still, reflecting the boat and the surrounding environment. In the middle ground, a dense forest of evergreen trees stretches across the horizon, partially obscured by a thick layer of mist or fog. The sky is a pale, hazy greenish-grey, blending into the water and trees. The overall mood is quiet and peaceful.

QUIETLY

"Let all that I am wait *quietly*  
before God, for my hope is in Him.  
He alone is my rock and my salvation,  
my fortress where I will not be shaken."

**PSALM 62:5-6 (NLT)**

*From the creators of Scripture Lullabies, "Quietly" is a gentle call to break away from the daily noise. It's a call to slow down and give peace its due... a call to steal away to a place where God speaks to us...and we hear Him. It's in this place that we find peace beyond measure, and strength that endures as we take time to listen, wait and wonder...quietly.*

## The Story Behind "QUIETLY"

---

*I've always enjoyed sitting down at the piano to play. It's a creative outlet and really an opportunity to worship without words. Unless I'm working on a specific song, never will I play the same thing twice; the melodies and songs are unique each time. I began recording these one-offs a couple of years ago, and I'm excited to share some with you in this first volume of "Quietly". I pray the music provides an atmosphere of peace, a haven for you to experience God's gentle, reassuring presence.*
