Nature Pattern Match

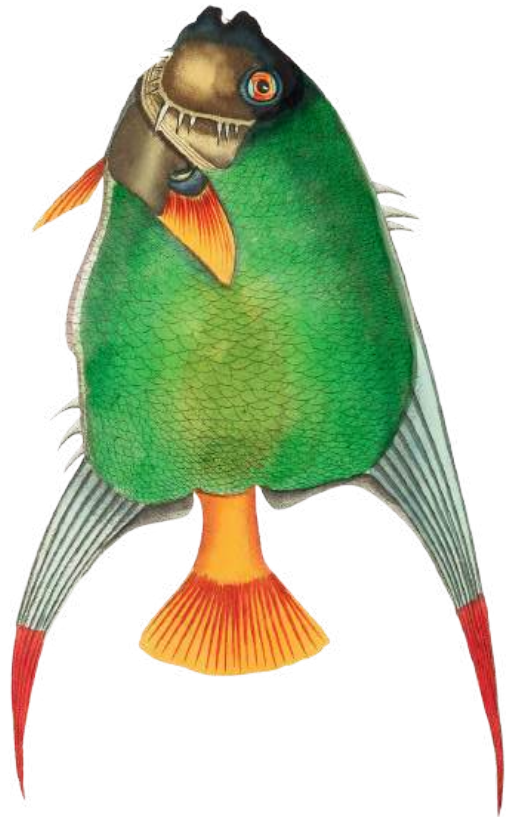

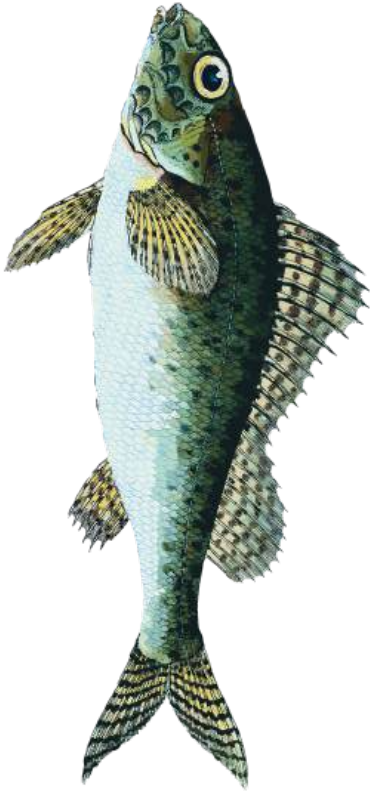

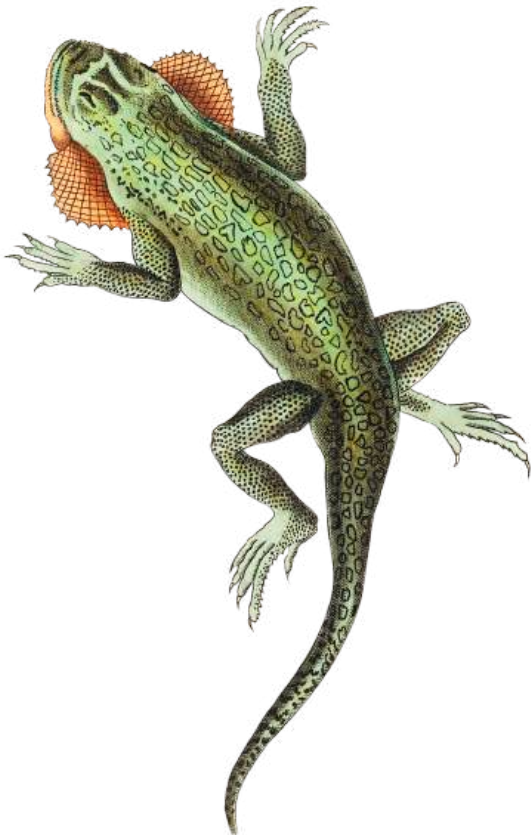

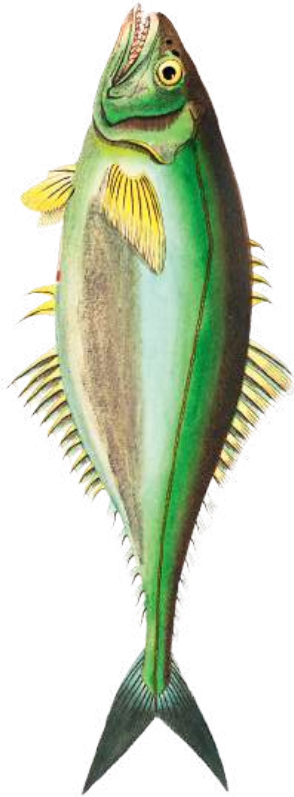

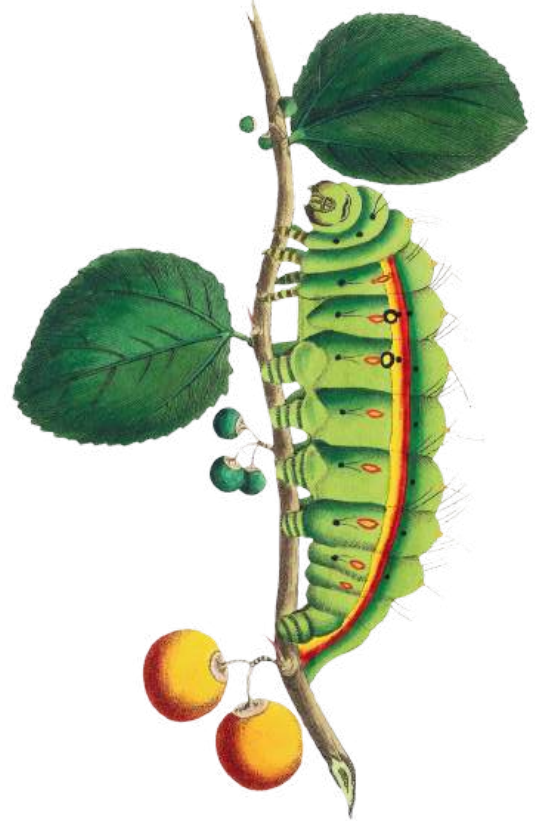

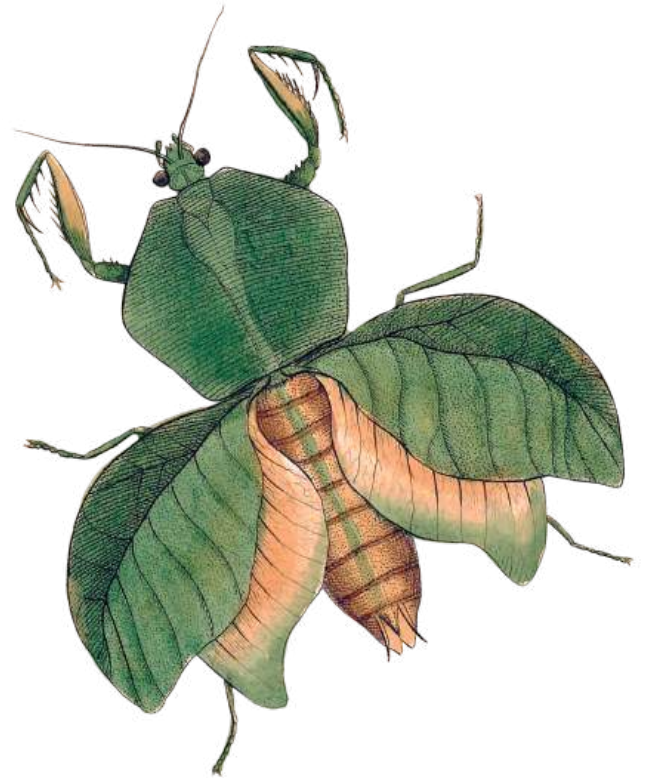

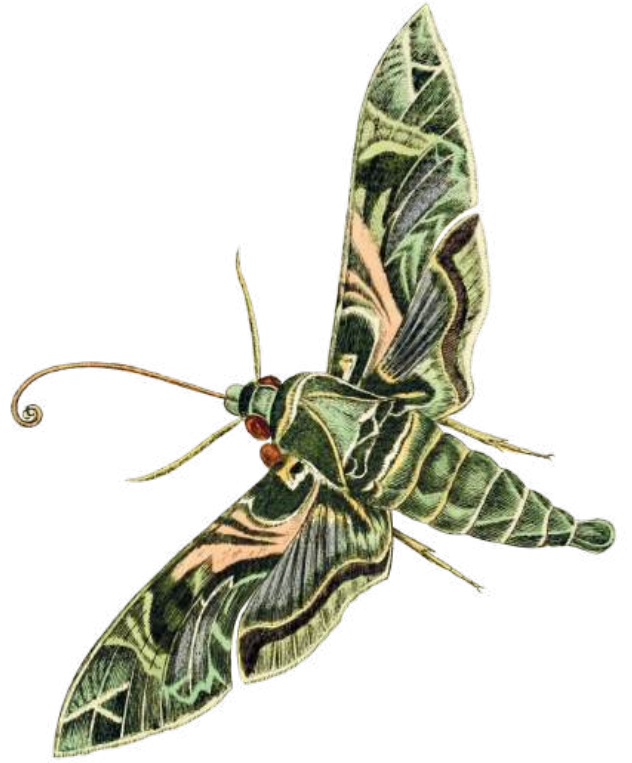

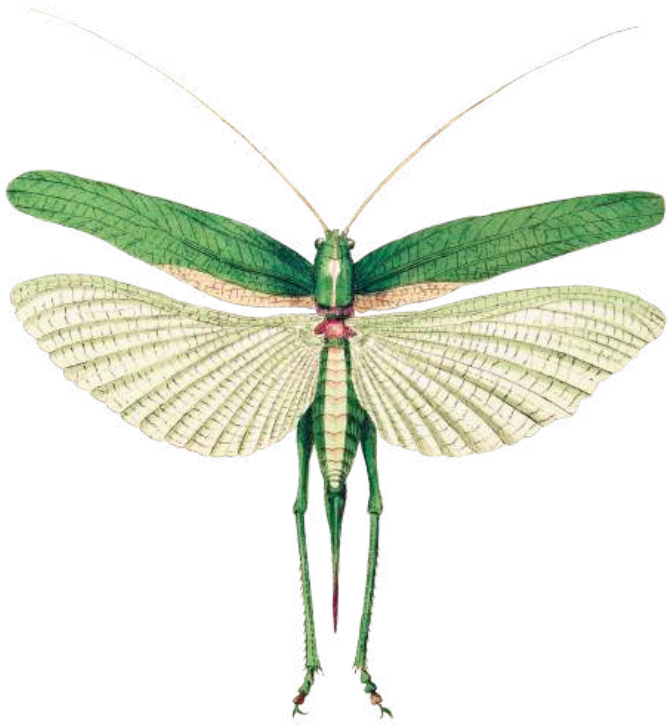

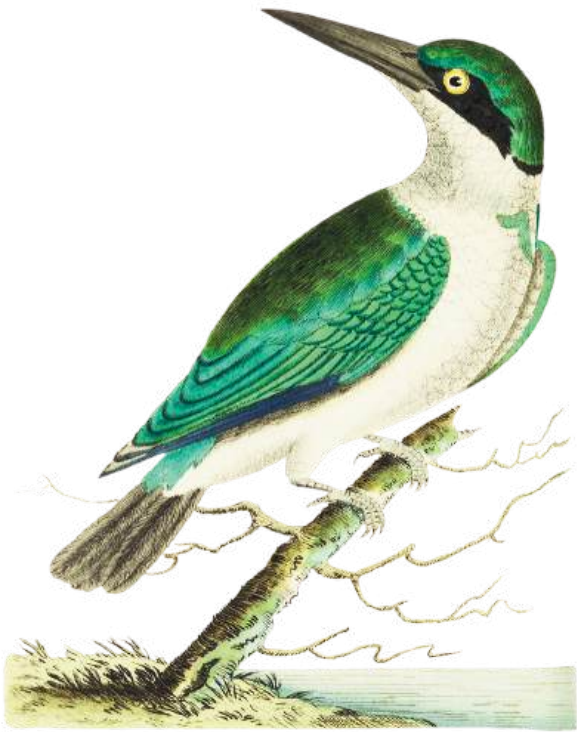

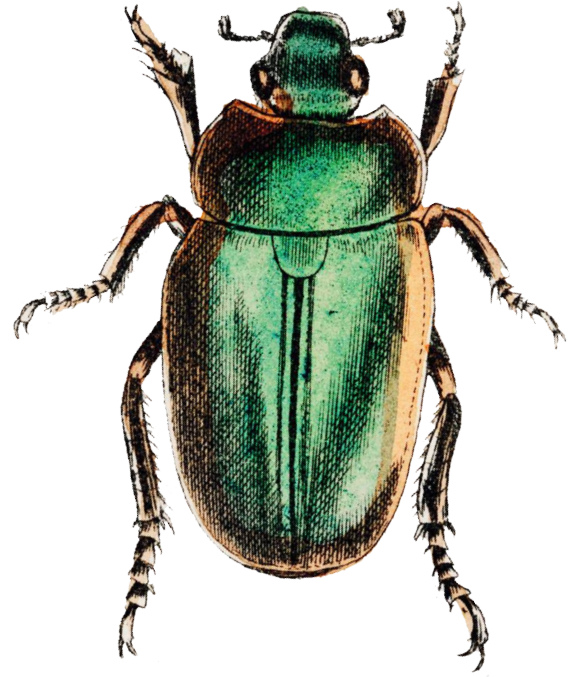

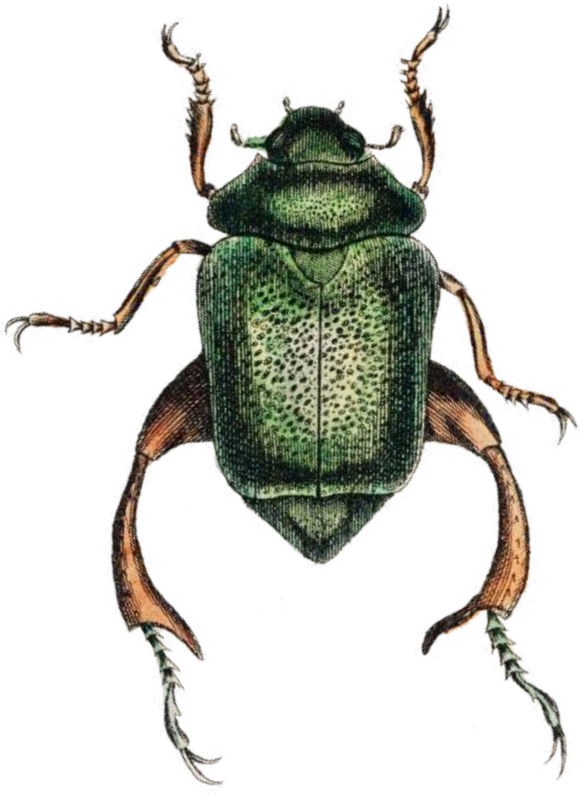

thank you

Thank you for your order from WonderWell Learning!
Resources are lovingly designed by hand with an emphasis
on adding beauty and nature to your homeschool.

print + prep tips

We recommend printing on 65lb+ cardstock and laminating
for longevity of use. When printing the entirety of the page
(100% or borderless) pattern circles are 2.5" and a 2.5" circle
punch cuts them out nicely- laminated or not!
