WELCOME

At Something Borrowed we're tired of the same old stuff used time and time again. Our latest collection is about setting yourself apart from the norm and expressing yourself in the most authentic way to you, the unconventional dreamer.

Our mission is to provide

- quality one-of-a kind products
- attention to detail
- customizable fabrications
- trustworthy partnerships

More than anything, we want to provide badass rentals to badass people!

Wishing you a prosperous wedding season filled with love and good vibes and look forward to the potential of working with you

with love, Jessica
