

A romantic wedding scene featuring a bride and groom in a white dress and black tuxedo, respectively, sharing a kiss. They are surrounded by guests in formal attire, many of whom are holding up large, ornate bouquets of white and pink flowers. The background is a soft-focus outdoor setting with greenery and a white tent structure. The overall mood is joyful and celebratory.

## YOUR NEW WEDDING PHOTOGRAPHER

WHETHER IT BE A MOUNTAIN TOP  
ELOPEMENT OR THE ROMANTIC  
DREAMY VENUE YOU'VE ALWAYS  
DREAMED OF I HAVE YOU  
COVERED ON YOUR SPECIAL DAY!

# THIS IS MY STORY

As a kid I always traveled and stole my moms camera to take photos. Eventually I started doing yearbook in high school and took all my friends seniors photos. Flash forward three years in college I was inspired to start photography again after meeting some other photographers and becoming friends with them!

For the last two years I have been working as a photographer based out the Tri-Cities, TN and Central Ohio focusing on couples, seniors, weddings, and elopements. Now I get to travel across the United States doing what I love and capturing special memories.

# HOW IT WORKS

If you are reading through this right now, congrats because you have already done this part! Once you inquire with me you will receive this information packet, but if you have more questions don't hesitate to ask!

## 02

### LET'S CHAT

I want to make sure that you are 100% aware of everything I offer and how the process works, but I also want to customize it to you! If you are interested in a phone call I would love to set it up and talk about your special day! If a call isn't your thing we can keep the email or text chain going instead!

## 03

### BOOK IT

Once we have gone ahead and chatted about everything and you are ready to have me photograph your special day I will send you over a contract. This will state all the legal stuff including payment information. I require 20% upfront as a down payment when you sign the contract to officially reserve your spot and the rest is due one week before your special day!

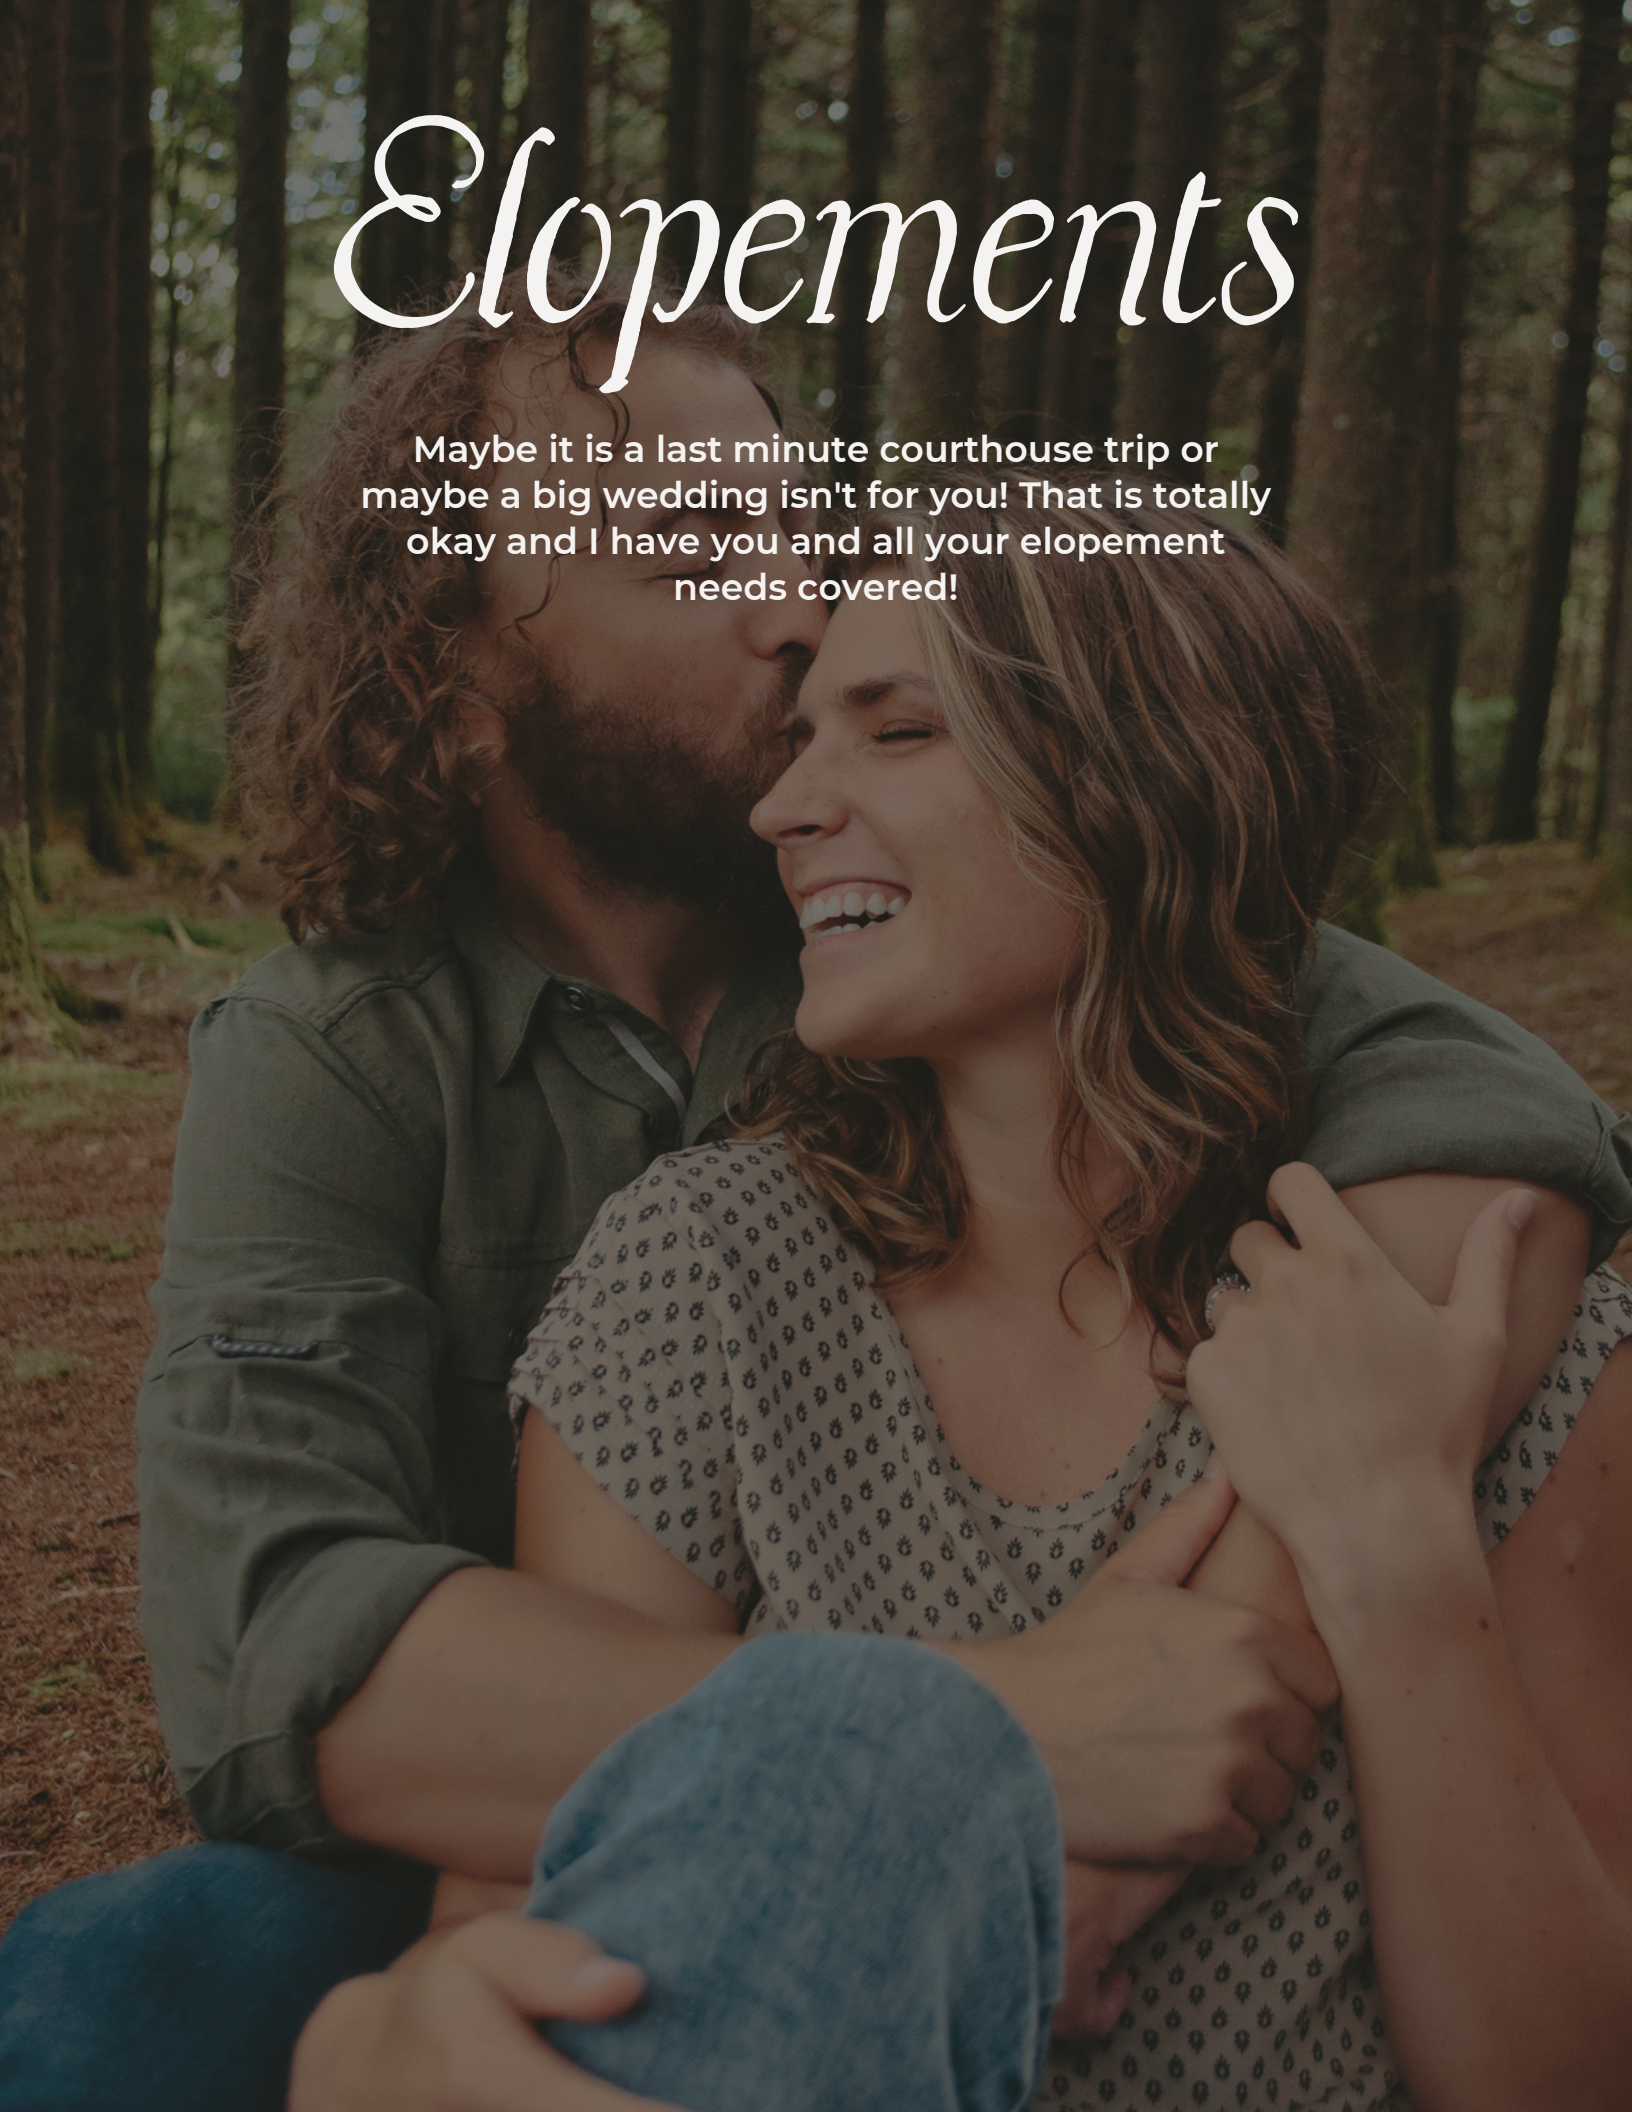

## 04

# Frequently Asked Questions

## HOW IS MY GALLERY DELIVERED?

All galleries are delivered online through a service that allows you to download the highest quality images possible! If your package includes an add-on like a USB flash drive; 2-3 weeks after your online gallery is delivered your flash drive or photo box will arrive!

## I DON'T EXACTLY KNOW HOW MUCH COVERAGE I NEED, CAN YOU HELP?

OF COURSE! In step two of my process whether it be a call or just conversation I can help you decide what package will be your best option! This includes helping you create a custom timeline for your special day if you don't already have one!

## HOW DOES THE PAYMENT WORK?

All of my packages require a 20% deposit at the time the contract is signed to officially reserve your spot. If I do not have a signature or the deposit your spot will not be held! For any of my regular packages the remaining payment is due the day of the session. For all wedding and elopement packages the remainder is due two weeks before the special day! All payments can be made online, through cash or check.

## DO YOU OFFER PAYMENT PLANS?

At this time I do offer payment plans upon request! I do not require them and can set them up to be as frequent as you want.

## HOW DO WE KNOW IF WE WILL LIKE OUR GALLERY OR NOT?

If you aren't 100% about having me as your wedding photographer, I totally understand that! It can be such a guessing game and you never know what you are getting. I am MORE than willing send a full wedding gallery to you, so that you can see what yours will look like! In addition, upon booking I send out a questionnaire to make sure I don't miss any special details and have everything prepared in advance for your special day!

# Frequently Asked Questions

## WHAT IS THE ONE HOUR COMPLIMENTARY SESSION?

This is a one hour complimentary session I have built into your package! It can be used for engagement photos, one year anniversary, bridal boudoir, anything you and your partner can think of! it is valid up to one year from your wedding date!

## WHAT IS THE VIDEO IN YOUR WEDDING PACKAGES?

I take a few short clips throughout the day and make a little highlight clip that is perfect for social media! Even if you have a videographer this gives you just a short video that is often way easier to share. Plus if a videographer wasn't in your budget this covers all the highlights of your day!

## WHAT DOES YOUR "DAY OF COORDINATION" COVER?

To help reduce the stress of your wedding day I am here to help keep things moving! If you need someone to go help finish cutting the cake and pass it out, re-pin all the boutonniere; I am your girl. When I build your timeline I put some buffer time in there just in case anything goes wrong!

## HOW MANY IMAGES DO YOU DELIVER?

I always say a minimum of 50 per hour. Odds are I deliver more, but some hours may just be slower like during a reception so it averages out to 50! Most 8 hour galleries I deliver have over 600 images.

## ANY OTHER QUESTIONS?

Go ahead and shoot me an email or a DM and I am more than willing to help you out!
