2021 PRICING GUIDE

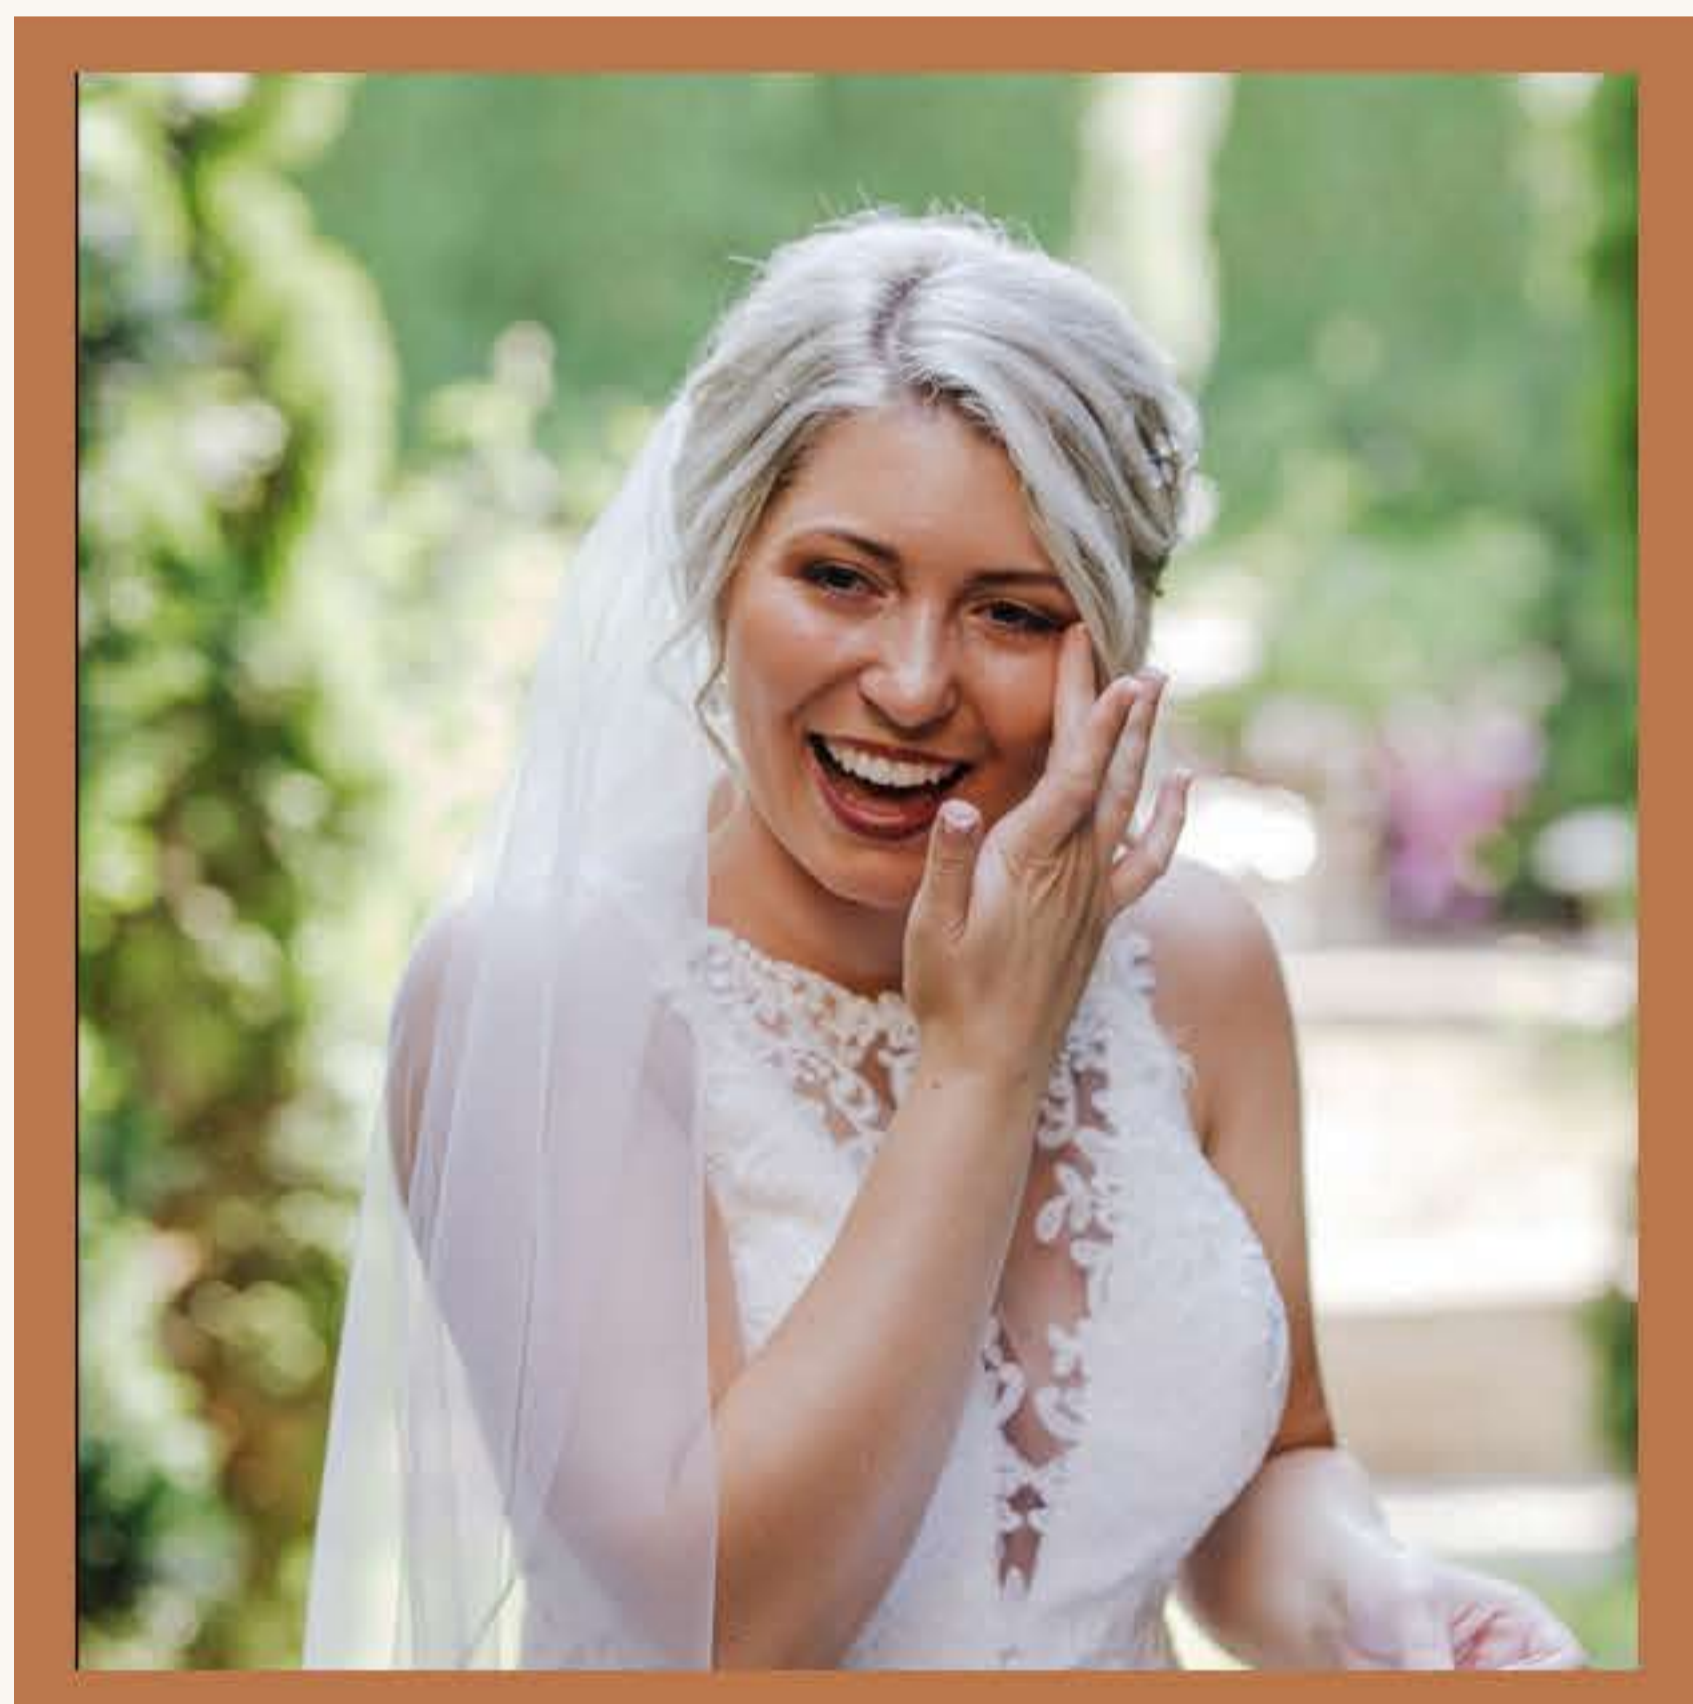

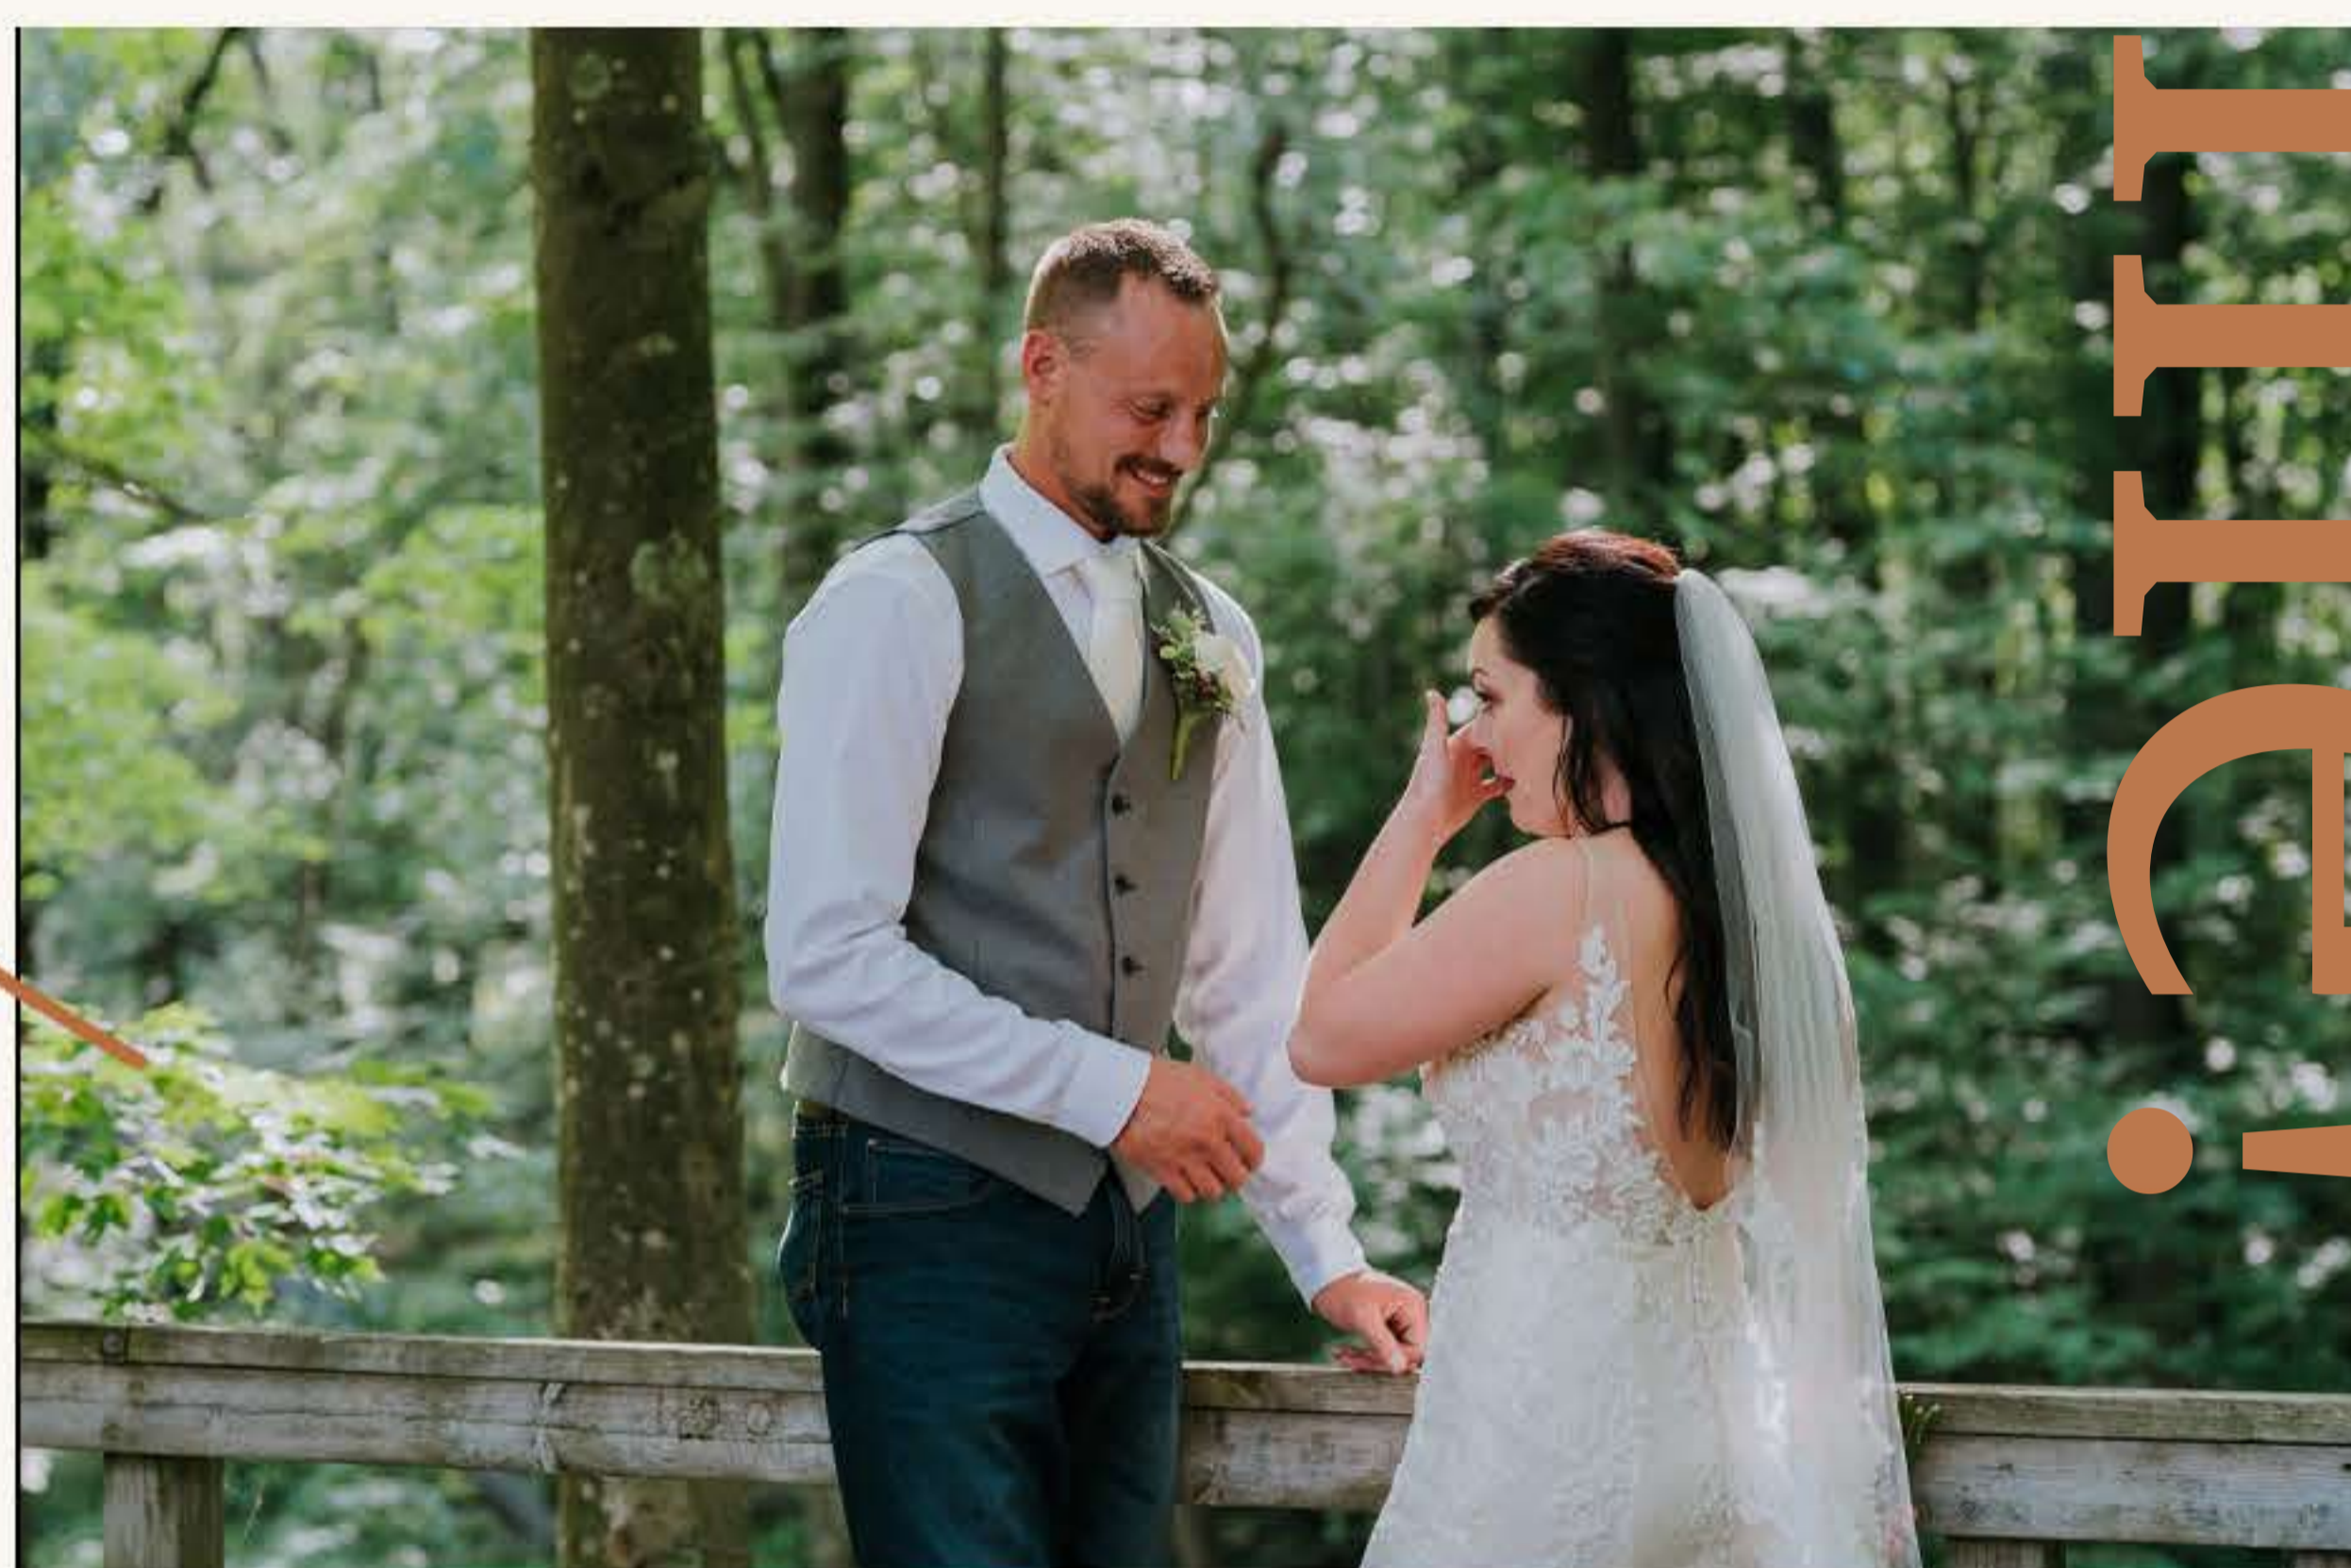

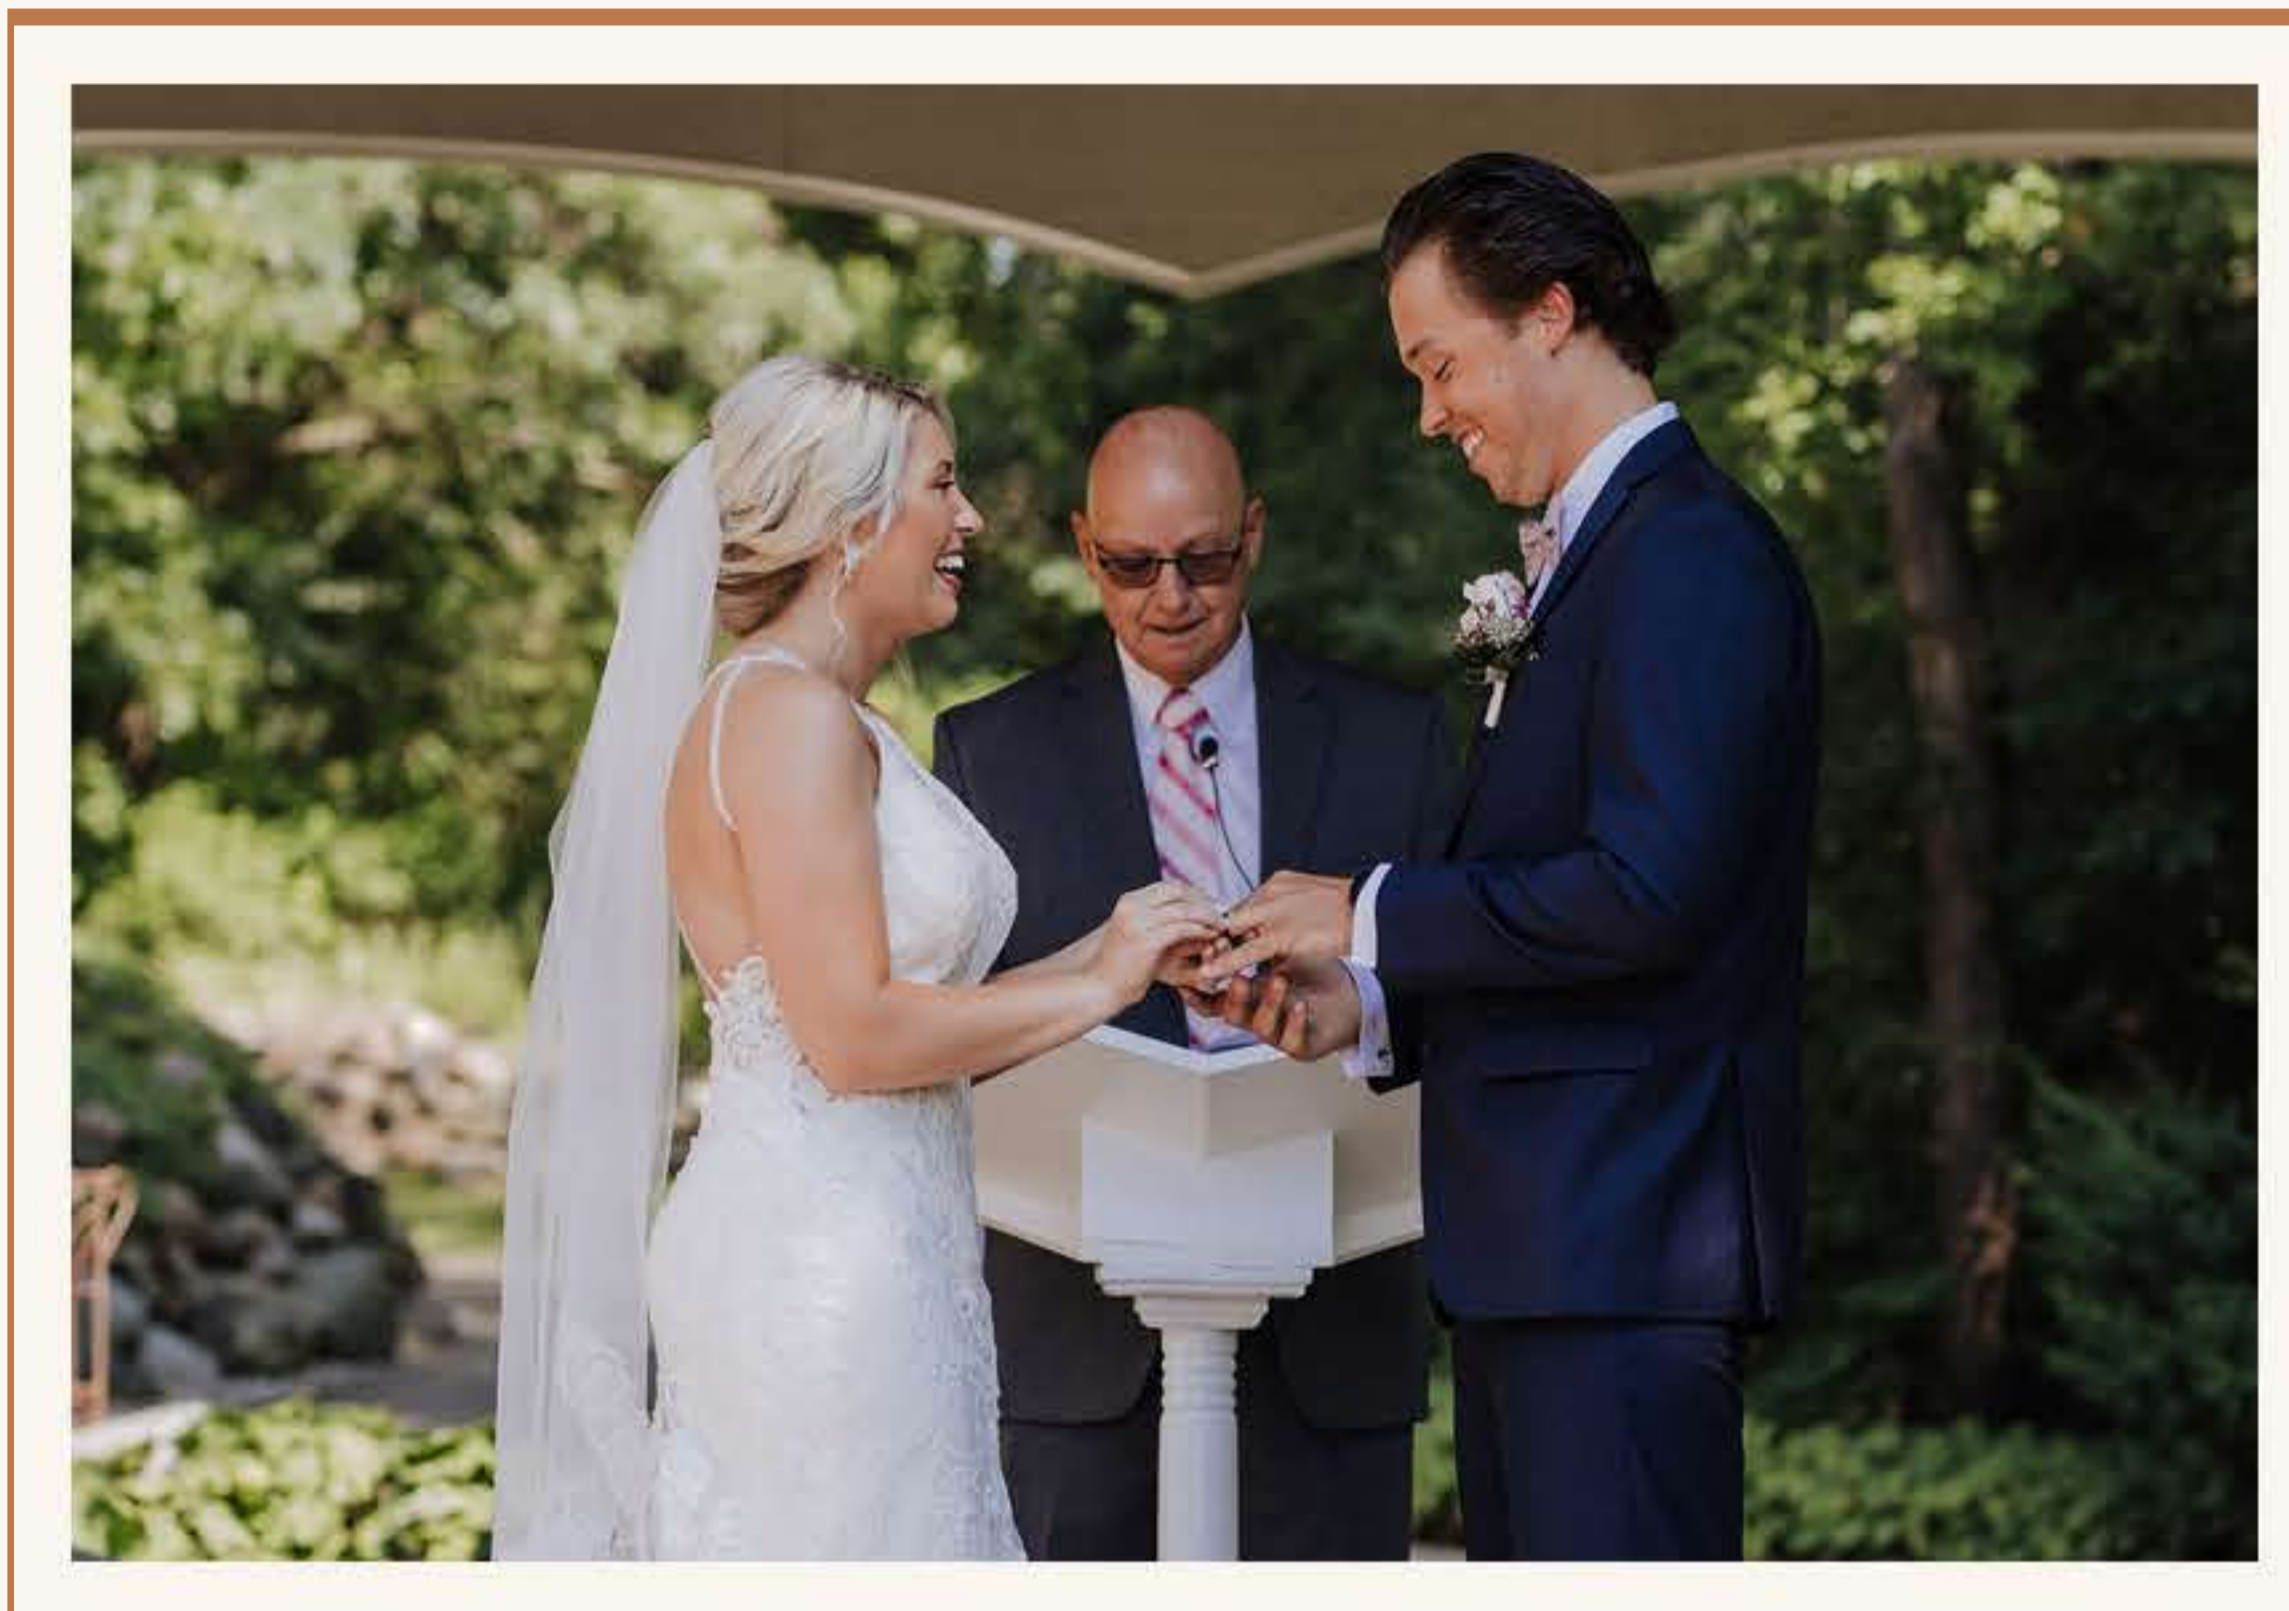

KAITLYN & DREW

Taylor from Truck&Co Photography was a godsend! From the first conversation on the phone we instantly clicked and I knew she would be great as our wedding photographer. She actually saved the day less than a week before the wedding (pandemic planning sucks.) The phone conversations were like we were old friends and she was very easy to talk with! On the big day she helped everywhere! Helping me get into my dress, fixing any flyaways, flower girl corral, joke teller, grandparent guide, and of course STUNNING photography! Very efficient on time and made every transaction easy. Honestly an absolute blessing to have her with us on our big day. Would 100% recommend!!!

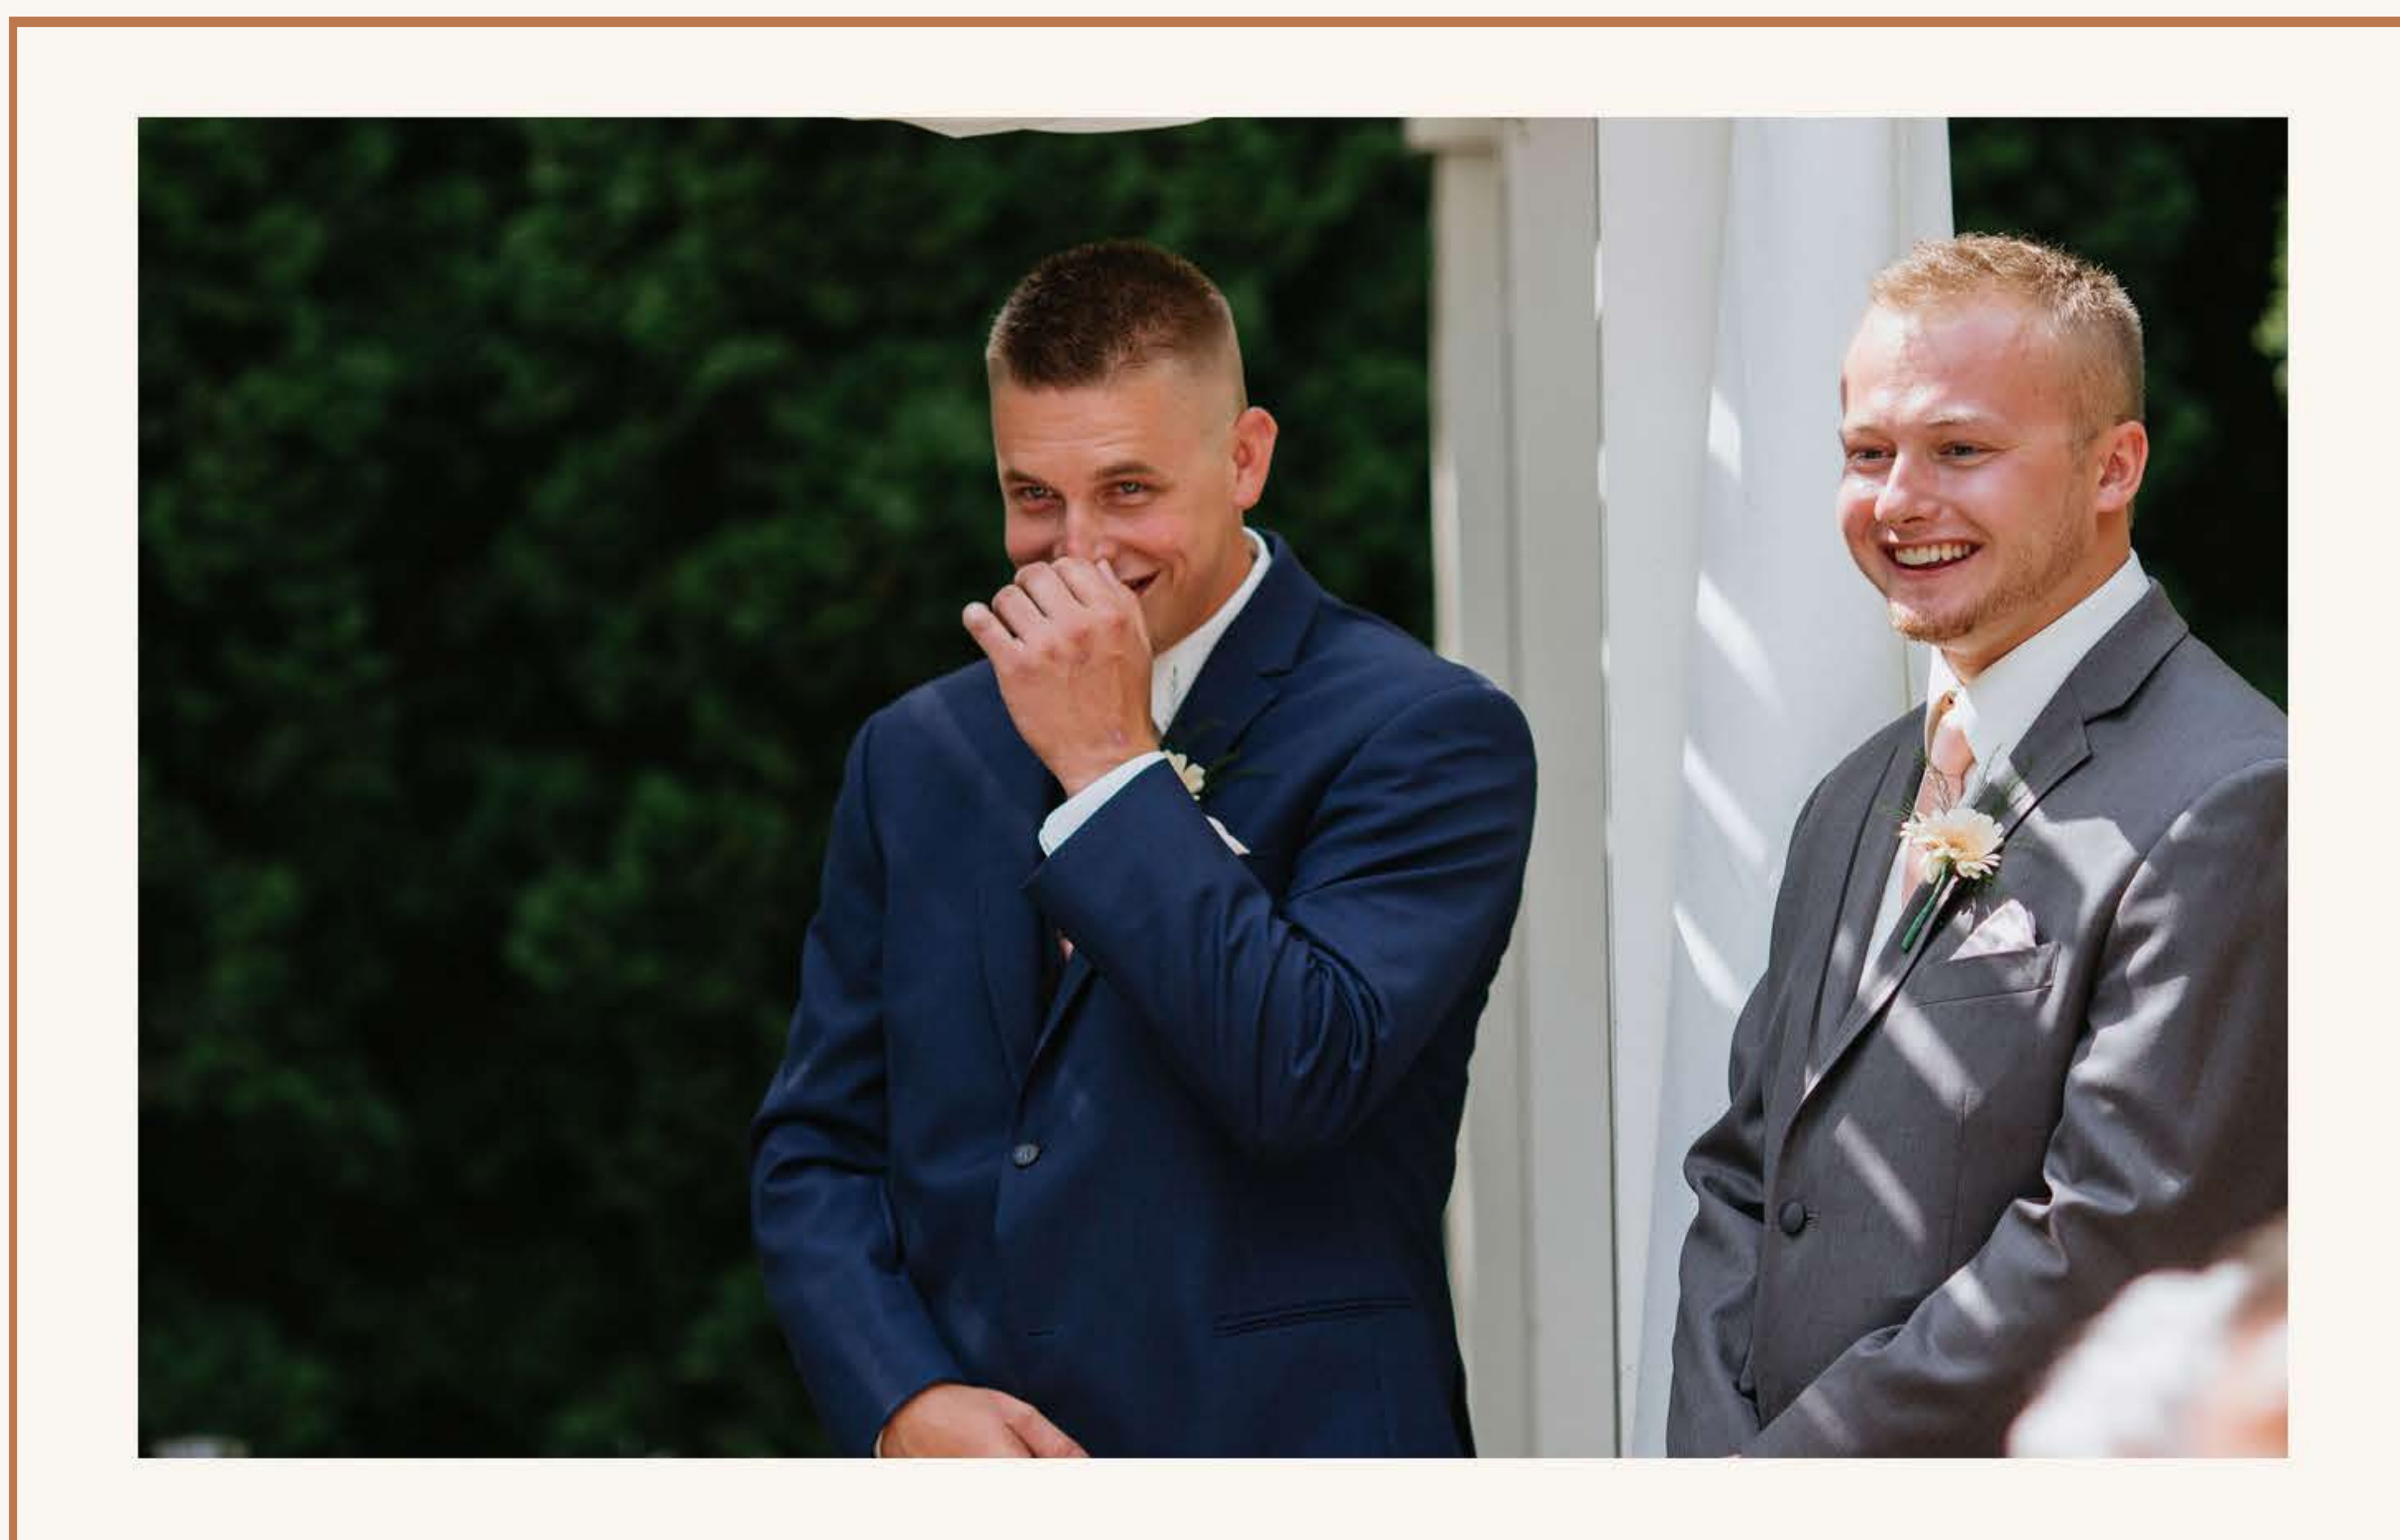

Welcomme!

Vibrant, timeless photography. Beautiful portraits and incredible candid moments. Your wedding day can be a whirlwind - I want to help you remember the tiniest of moments. A kiss, a touch, a hug, a smile.

However your dream wedding looks,
it's all about you.

Can I tell you something?
I'm a bit of a sucker for real,
messy, authentic love.

I think real moments are the best ones. So my style is all about getting real, honest emotions, and natural photos. You will laugh, you will love, and you will soak each other up as much as possible while we're taking photos. I do my very best to make sure you feel comfortable and can forget the camera as much as possible. The images you see me create come from our ability to have fun and be comfortable around each other. I'm honored to capture a small part of your lives together.
