Case study

I can't say enough good things about my experience
with Alex at Sonrisa Studio.

I am so in love with my logo and branding and it's all because of Alex's
attention to detail and ability to nail what the client is looking for. The
response I've gotten has been truly amazing.

The Process

one

If you are ready to begin transforming your business fill out our project inquiry form to get started. Once received, we will send you a detailed proposal laying out the scope of work and start date.

two

Once you have signed the contract and submitted the deposit you are officially added to our calendar! We will email you an in-depth questionnaire to learn more about you, your business, and goals for this project.

three

After the questionnaire has been submitted we will schedule a brand strategy call. During the call, we will go over all the details of your brand and come up with a clear plan of action for building you a unique brand identity.

four

After the call, I will take what I've learned and get to work! I will begin developing a completely custom unique brand for your business.
