Step 1

Login to your Showit account.

Step 2

Make sure you are in the area where you are already in a Showit template (meaning you currently within a website design) If you're in the area where it says "Pick a site" then just choose any site.

Step 3

Now, click on your name at the bottom, left-hand corner of the screen where your photo is.

Step 4

Then, Click on ADD DESIGN TO LIBRARY

Step 5

Copy and paste this code kaD5ggGKW4eX56324 into the box and hit ENTER
