WITH ERIKA GRACE

welcome!

Thank you so much for your interest in having me a part of your wedding day. I'm excited you're here! I'm an Award-winning & Published photographer based in Central Florida specializing in traditional and timeless portraiture. My editing style is bright and natural. I'm a wife and a new mom to a sweet baby boy named Crue (born 6/26/22). My husband and I got married in 2021 and I understand what it feels like to be a bride (all the ups and downs that accompany planning a wedding). With almost 10 years of wedding photography experience and being a bride myself, I intend to bring you peace and joy through the art of documenting your wedding. The level of care I put into my photography and the connection I cultivate with my couples is unmatched. If you are looking for a friendly, kind, and organized photographer who will gently direct you and your loved ones in posing I am your gal.

Congratulations, and I can't wait to chat about your wedding photography!

Warmly, Erika Grace

kind words

"My husband and I couldn't be happier that we found Erika for our engagement and wedding photos! She brings a cheerful and calming energy to your session that makes you feel comfortable and relaxed-which really shines through in your photos! Even our wedding party and family commented on how much they loved Erika when we were taking photos! She is extremely talented in what she does and can offer a bunch of helpful tips. On the day of our wedding, I didn't have to think if we were getting all the photos we wanted, I could trust Erika to direct us and capture every moment!" - Geena, 2022 Lake Mary Events Center Bride

"My now husband, Ryan, and I are beyond happy that we found Erika to be our wedding photographer. After our initial consultation and experiencing her great energy and expert knowledge of the subject, we knew she was the one for us! Her classic and timeless work matched exactly what we wanted our wedding vision to be. Erika's professionalism, experience, and positive energy made us feel at ease throughout the whole wedding planning process and on the big day. You can feel that Erika loves what she does and that shows in every photo she takes. We are so thankful to have had Erika present to capture all the special moments of our big day. The experience of working with her is something we will never forget! We cannot recommend her enough! " -Bridget. 2022 Royal Crest Room Bride
