I KNOW WHO I AM. I AM NOT PERFECT. I'M NOT THE MOST BEAUTIFUL WOMAN IN THE WORLD. BUT  
I'M ONE OF THEM.

— MARY J. BLIGE

## IT'S A GIRL THING

It's about reimagining what we think we know about being a girl. It's choosing a daring approach to everyday life with personal style and a splash of whimsy. It's about grabbing life by the b- (or c- or d-) cup.

We call it being a woman brilliantly. Seeking new experiences. Taking time to laugh. It's about embracing yourself, loving your body and changing feminine perceptions and traditions around the world while celebrating individuality.

Through our modern, luxe surroundings, flattering posing and perfect lighting praising each feminine angle and curve, you'll enjoy the art of primping in pretty outfits and basking in beautiful photography for the ultra-feminine defining moment.

Give mediocrity the middle finger and take the invigorating road less traveled. This is, after all, a visual reminder that you are woman, glorious woman, and we wouldn't have it any other way. Life should include plenty of the remarkably powerful girly things, and boudoir reminds us that we deserve nothing less than love, sensuality, joy and feeling radiant.

IT'S ALL ABOUT GIRL POWER.

BOUDOIR BY OLIN

# I AM OLIN

**H**i there! I am Caroline and I am passionate about women and being a woman. My good friends call me Olin. I am passionate about capturing the female form at its finest and most fierce.

I am focused on highlighting women of all shapes, sizes and ages project their most beautiful selves for the ultimate girl's day out, or photographing a wedding of a couple madly in love.

I love boudoir because it gives me a chance to show the women I work with how beautiful they are. Nothing is more important to me than that. To encourage self love and to be unabashedly themselves. As women, I feel that it is important for us to embrace our bodies and ourselves, especially the older we grow and I want to be here to do that for other women.

I believe that every woman should indulge and reward herself with luxury boudoir portraiture, so let me show you how beautiful you are.

*xoxo*

Amanda's Me Day

As a brand new mom, it had been some time since Amanda felt anything close to glamorous. So, as a special treat for herself (and a surprise thank you to her husband for being such a fantastic dad and partner), Amanda spent the day getting pampered before her boudoir session.

Amanda decided to keep it simple, and she chose timeless, white lingerie pieces and her husband's work shirt for

her session. She and her husband went to In and Out Burger on their first date, so she decided to incorporate In and Out French Fries in her session. How adorable and personal!

As the afternoon unfolded, any worries of baby weight faded. She warmed up to the camera and to the experience. Her confidence bloomed, and she was thrilled with the results!

I COULDN'T IMAGINE HAVING PHOTOS OF MYSELF SNAPPED SO SOON AFTER I HAD MY BABY, BUT IT WAS SUCH AN AMAZING DECISION. I HAD A BLAST MAKING SOME TIME FOR MYSELF. I HAVE NEVER FELT MORE FEMININE! I CAN'T WAIT TO SHOW THESE PICTURES TO MY HUSBAND!

Sommer's Adventure

I LOVE MY PHOTOS, YOU DID AN AMAZING JOB AND I FELT SO BEAUTIFUL AND YOUNG AGAIN! MY HUSBAND WILL NEVER EXPECT THIS!

— SOMMER

With a 4 year old son and her 40th birthday approaching, Sommer wanted to feel young and beautiful again. Her husband's birthday and their anniversary were also fast approaching and she knew that he would never expect her to have such a bold surprise in store for him!

Caroline helped Sommer put together three perfect looks, keeping in mind that Sommer expressed her desire to have a session that was more on the fun and adventurous side. Sommer had never felt she was able to pull off these outfits before so seeing herself in something different made the session a lot more enjoyable.

1:00 PM

*Arrive at our studio for makeup and hair with Kayci Stoots*

2:30 PM

*Outfit and accessories selection with Caroline*

3:00 PM

*Boudoir Session starts at our downtown Sacramento studio*

Like most women, Sommer started the session nervously excited but was soon dancing, laughing and posing like a natural in front of the camera. Both Caroline and Sommer did not want the session to end!

Sommer completely blossomed into more confident and sassy woman! right in front of the camera. Soon enough, she could not wait to see the photos herself and realized that a boudoir session is a way to pamper yourself and embrace yourself as a woman. Hooray to self love!

Thank you so much for your excellent service. I had such a great experience with setting this up, the website design, the ease in ordering, the shoot itself and the speed of service! I'm happy and impressed. I feel great about how the photos turned out.
