

ROLE MODEL CONNECTION CHALLENGE

1. Brainstorm who your role models might be, choose one and write 3 characteristics on why they are your role model. We hope this is someone you know and can interact with, but if you are having a hard time with that—consider someone in the public arena.
2. Complete this role model worksheet by listing the characteristics and traits you admire in your role model, you can also add a photo.
3. Share the result with your role model in some way—write a note, send a dm, post a picture, even if it is someone you don't know.

Add a photo of your role model here!
