DOCUMENTING TIMELESS &
HONEST LOVE STORIES

Weddings

2021

Hello

We are Shyani and Simon - a couple of photographers with a passion for capturing all things "love". Between us, we have over 16 years of photography experience, travelled to various parts of the world to shoot weddings and have been featured in several publications.

Our style of photography is natural, candid and journalistic. There is nothing we enjoy more than capturing the love, laughter and emotion between family and friends in order to create a story through images that can be cherished for years to come.

We use as much natural light as possible to achieve bright, light and airy images that have a romantic feel and aim to create breathtaking memories out of life's previous moments.
