## Description & Goals of the Trip

This trip is a beginning step in a revitalization effort. The church needs to examine ways to engage young families for the future health of the church. Our team will work with their adult leaders to offer children and adult opportunities to grow in understanding of worship. We plan to offer a camp that includes worship, sports, art, and team building. We will offer evening sessions for adults to grow in understanding of worship.

## Accomplishing the Great Commission

As we engage church members and those in the community with the activities noted in the trip description, we aim to equip church leaders with new programs and tools to run more effective worship initiatives with children and adults. In order to continue reaching the community for Christ, the church needs some new methods to share the timeless good news of the gospel to a new generation of families.

## Long-Term Partnership

This is a new relationship with Biserica Baptistă Maranata in Moldova Noua, Romania. Pastor Catalin Covaci is a long-time friend with Rich Fork Church members Remus and Cristina Scobercea, who are originally from Romania. It is our aim to go alongside Pastor Catalin in an effort to revitalize the 100+ year old church to reach a community that has been cold to the gospel in recent years.
