WEDDING PRICING GUIDE

2026-2027

WELCOME

Welcome to my wedding guide, and congratulations on your engagement! I know the planning process can be super overwhelming, so I created this guide to give you all of the useful information you may need from me. It's intended to answer any photography-related questions you may have so you can relax and get ready for your big day!

I'm here to document one of the biggest days of your life so you have beautiful memories for years and years to come. Choosing the right photographer is so important because alongside gaining a partner for life, the photos are one of the only things you get to keep forever.

My goal is to capture your love story as it is. My favorite part about my job is that every love story is unique and different, and I get to bring that to life. My approach is raw, candid, and authentic. You two be in love and let me do the rest.

Let's dive right in,

Kailee

HI, I'M KAILEE!

I was raised in a small town in Wisconsin, and moved to Florida about 7 years ago. I'm a sunshine and ocean lover at heart, so I knew this was where I needed to be. I went to college for Elementary Education, taught 1st grade for three years, and then quit to run my business full-time following the 2021-2022 school year. Best decision EVER!

I started my photography journey about 10 years ago, and got into weddings a little over 4 years ago. Weddings and couples continue to be my favorite thing to shoot because honestly, I just love love! I'm definitely a hopeless romantic!

When I'm not working, you can find me snuggled up with my two fur babies, or watching the sunset at the beach. Some of my favorite things include iced coffee, surfing, long boarding, the beach, traveling, anything Disney, and hanging out with my family and friends.

I'm definitely outgoing, and some would even call me weird or quirky! I believe in being my true, authentic self no matter what. If you're looking for a hype woman, unofficial bridesmaid, and new best friend...then we may be a perfect match!

YOU HAVE QUESTIONS, I HAVE ANSWERS

DO YOU OFFER PAYMENT PLANS?

Absolutely! I require a 40% non-refundable retainer to secure your date, and the rest of the payment isn't due until 1 week before your wedding. The remainder following the retainer can be paid in smaller increments through a payment plan.

DO YOU TRAVEL?

Absolutely I do! I'll go anywhere! Additional fees may apply for gas, flights, and accommodations.

WHAT IS YOUR TURN AROUND TIME?

Photo turn around time is 11-12 weeks following your event date. Video turn around is 12-13 weeks.

HOW DO WE RECEIVE THE IMAGES?

Images are delivered through an online gallery as high-resolution downloadable files.

DO YOU OFFER CUSTOM PACKAGES?

Definitely! If you don't see something that suits you, please reach out with some details and I'm happy to try to work with you.

FAQ CONTINUED

WHAT EQUIPMENT DO YOU USE?

I shoot with my Canon R6 and most often use my 35 mm lens. I also have a Canon 6D and 50 mm as my backups!

IS YOUR CAMERA DUAL SLOT?

YES! This means all photos are double copied onto 2 memory cards for extra back up and caution.

(psssst...even if you choose not to work with me, this is a great question to ask all photographers you inquire with)

DO WE RECEIVE ANY BLACK AND WHITE EDITS?

Yes! I include many black and white edits in your final gallery, and choose which ones to edit based on my creative eye and expertise.

WHO PICKS THE SECOND SHOOTER?

I pick my own second shooters, as I have many I love and trust and have worked with before.

WHAT'S NEXT?

Ready to book? Here are the next steps:

- 1.Reach out with your details and chosen package
- 2.Sign the contract and pay the retainer
- 3.Plan and book your engagement session
- 4.Keep in touch! I'm here for the entire planning process and will help answer any questions along the way! I'm MORE than happy to give input for timeline planning!

And remember, I'm always down for coffee, dinner, a glass of wine, or to simply chat over the phone or facetime!
