# Unravel — pediatric cancer

## Fluttering 2022 - Let the Fluttering Begin!

Thank you for choosing to be active with Unravel Pediatric Cancer throughout September.
You're part of a nationwide movement fighting pediatric cancer.
Together, we are making—and will continue to make—a difference!

As part of this important effort, you will be "Fluttering" the homes of friends, family and neighbors with this swarm of beautiful garden dragonflies. The goal is to Flutter as many homes as you can throughout the month of September to spread awareness about pediatric cancer and to raise money for Unravel, a 501(c)3 organization.

> **Funds raised in this campaign will support doctors and researchers selected by Unravel. To learn about what Unravel supports, please visit our website https://unravelpediatriccancer.org/science**
