**HELLO@SOLIDARITYISNTSILENT.COM**

Solidarity Isn't Silent is a new local organization that was founded with the commitment to stand up to the injustices that the Black community faces historically and presently.

We are excited to be hosting our first community event, Color Kind not Color Blind, on September 12, 2020. This event will include entertainment, recreational activities, food trucks, and activities for children.

Any money raised during this event will allow Solidarity Isn't Silent to contribute to the Black community in the form of community improvement projects, scholarships, donations specific to the Black community, and future events. As you can imagine, we have very big dreams.

Attached is a sponsor level information sheet and a contribution form. If your business is interested in sponsoring the event please feel free to forward this information to the appropriate person. If your company is not able to participate, personal donations are also welcome! Our goal is to raise \$15,000 during this event.

We have a lot of work to do. We have a pending application to officially become a non-profit organization and are working diligently to establish ourselves as a recognizable organization within the community. We appreciate your consideration in helping us reach our goal of solidarity.

If you have any questions, please feel free to contact our founder at the information found below.:

Thank you for your support,
