Thank you for considering the CLP Senior Portrait Experience. Senior year is a time filled with countless special moments, and one of the most cherished is capturing senior pictures.

Senior sessions hold a place in my heart. As a mother of two recent graduates, I truly appreciate the importance of creating images that not only reflect this special milestone but also showcase your graduate's style and personality.

With over 15 years of professional photography experience and having served hundreds of satisfied clients, I have honed my skills in creating stunning images. This includes guided posing, selecting flattering outfits for the camera, and utilizing light effectively to produce photographs you will cherish for a lifetime.

Congratulations to you and your graduate! If you have any questions or would like to schedule a call before finalizing your booking, please feel free to reach out. Thank you once again for considering a session for your senior. Don't forget to follow me on social media to stay updated on special events and promotions!

SARAH WHEELER, BENJAMIN FRANKLIN HIGH

I love Christine Lowell Photography!!! She has taken senior pictures of my girls... I love the pictures so much she'll also be taking photos of my son this fall! Christine also does my branding photos for my business. Her photos are spot on, and people in my industry have complemented me on my photos. She's wonderful to work with, and spends a lot of time before, during, and after the shoot making sure you look amazing. Christine is a knowledgeable and fabulous photographer!

CHASE DAVIS, HIGLEY HIGH

"Christine nailed Chases photo shoot! Chase was not very excited about getting his picture taken but by the end of the session he was asking if he could book another session for his 18th birthday! Christine was fun and made Chases senior pictures very memorable. His pictures turned out perfect and now I have this amazing memory of my son forever. Thank you Christine!" -Katie Bullard
