### Showcase Commitment

Epicenter for the Arts will assume that each registered student will be performing in the Christmas & Spring Showcases unless otherwise informed by the parent. We ask that you make a decision regarding your students' performance in the Showcases no later than **October 1st for the Christmas Showcase & November 1st for the Spring Showcase**. If you have made the decision for your child to be in the Spring Showcase and choose to drop out after March 1, please be advised that your account will still reflect the showcase fee. Please also be advised that costume fees are **non-refundable** and will be due November 1.

### Class Placement

Students are placed in class according to their age, ability, and/or experience at the discretion of the teachers and director. One or all may apply when placing the dancers in an appropriate class level. All Epicenter Companies and professional classes are by audition only. Placement classes will be charged \$10 for the first class, and then \$5 for each additional class placement.

### Class Cancellations due to Weather

Though we will check with local school districts, it will be at the discretion of the director that we close the studio or cancel classes. **We will send updates via our app, through email, and social media in the event of a closing or late start due to a weather related issue.** Please follow us on Facebook & Instagram (Epicenter for the Arts) to get the latest information. We do not prorate for weather related class cancellations.

### **Medical Policy to drop classes**

A doctor's note is required for monthly tuition to be pro-rated for classes that need to be dropped due to injury. We must receive the doctor's note within two weeks of the doctor's signature. We will then prorate for missed classes from the date of injury, up to 2 weeks.

### **Attendance & Make-up Classes**

In order to progress personally as a dancer as well as keep up with the class, regular attendance is strongly encouraged. Absences not only affect the individual, but also affect everyone else in the class. If you must miss class for any reason, please notify the studio or enter the reason in your Studio Director account. A student may be asked to not perform in the showcase or leave the class if attendance drops below 80%. Epicenter reserves the right to drop any student who misses class for more than 30 days without written notification in order to make room for another student to join the class. There are no refunds for missed classes; however make-up classes may be scheduled for another class within the same level and genre, limited to 2 makeups per semester. Please schedule your makeup class with the office or front desk.

### **Private Dance Lessons**

Private dance lessons are available and are scheduled by the office staff during office hours. Each teacher may charge their own set rate that will include a studio rental fee, that fee will be verified by office staff when setting up the lesson. By scheduling a private lesson, you have reserved a spot that could be released for someone else. Private lesson fees are paid for 24 hours in advance and are non-refundable. We ask that you notify the office 24 hours in advance if you need to cancel or reschedule, otherwise you will be charged for that lesson. If a teacher needs to cancel or reschedule, the family will be notified 24 hours in advance, otherwise the teacher will give a private lesson at no charge. The "free" lesson will be in addition to their previously scheduled lesson that is to be made up and has already been paid because we will have charged for the lesson the day before the lesson.

### **Music Lessons**

Music lessons are considered private lessons. Please review and sign the separate music policies regarding attendance and other policies. If withdrawal from music lessons is necessary, **you must do so by the 20<sup>th</sup> of the month** or you will be charged for the following month. This must be done in writing and signed off by the Music Director. By enrolling in a private lesson, you have reserved a spot that could be released for someone else.
